Term 1 | Week 6 | Friday 10 March 2017

from the **HEAD OF MIDDLE SCHOOL**

STARTING WITH A POSITIVE

You might have a daily ritual in your home where you ask your teenager how their day was. We probably have caught ourselves asking the magic question, 'What did you do today?' and probably get the answer, 'I can't remember.' At times we might stop asking questions or choose another time to ask the very same question.

Starting with a positive is the key to enabling teenagers to reflect on their day with you as a parent. Questions or conversations starters such as;

- What was the best thing that happened at school today?
- Tell me something that made you laugh today.

- If I called your teacher tonight what would she/he tell me about you?
- How did you help somebody today?
- Tell me one thing that you learnt today.
- What was your favourite part of recess or lunch today?
- Tell me about three different times you used technology today at school.
- What word did your teacher say most today?

We encourage parents to never stop asking questions of their teenagers and start conversations with a positive in mind. The Student Planner also has ways for parents to reflect positively with your teenager on their learning and wellbeing in the weekly section of the planner.

We encourage you to check the weekly section once a week or more to engage in dialogue with your teenager about their strengths, learning goals and actions, what has worked well in their week and help them prioritise assignments and home learning tasks.

One of the quotes in the Student Planner reads, 'Delete the negative; accentuate the positive!' - Donna Karan. May we all be reminded to accentuate the positive first in all that we do.

R-12 SPORTS DAY ARRANGEMENTS

FRIDAY 17 MARCH

Parents are more than welcome to attend Sports Day on Friday 17 March at the College. The day begins with students attending Home Class at 8:40am and then they gather in their House areas for the Opening March to begin the day.

A letter was sent home via students this week about the arrangements for the day.

Please enjoy the photos of the Year 7 and 8 Standards Day in this edition as each student had the opportunity to contribute to points for their House for Sports Day.

We hope you can join us for this special celebration.

Blessings for the week ahead,

Ms Sarah Hoff-Zweck

CANBERRA TRIP

Although the week had a packed schedule visiting all of the key areas in Canberra the Year 7 Camp was a wonderful experience filled with many wonderful moments. Below are just some of the highlights.

GOVERNMENT HOUSE

After our introduction on the responsibilities of the Governor General and his office we were lucky enough to see him drive up and stop right in front of us and he even gave us a wave and a quick comment.

Once we navigated our way through the wonderful gardens, we were greeted by the Manager of the House who gave us the instructions and protocol while in the House.

As we sat quietly waiting for our tour guide to arrive we were surprised and delighted to have the Governor General, Sir Peter Cosgrove, enter the room. After he introduced himself to the group, the students in return, all stood and chorused, "Good afternoon Your Excellency".

Sir Peter, spent over 15 minutes talking and sharing stories of his life and answering questions from our students. We were honoured to be allowed to have a photo taken with His Excellency at the conclusion.

PARLIAMENT HOUSE

Although not in session, our visit to Parliament House was very interesting and exciting. As it was empty of politicians this gave us the rare opportunity to have a "behind the scenes" access tour.

THE AUSTRALIAN WAR MEMORIAL

The students again did themselves proud on our visit to the Australian War Memorial. Students showed great respect as they reverently moved through the complex on a combination of self and guided tours.

Prior to our Canberra trip the students researched a fallen soldier and many of them had the opportunity to locate these names on the Wall of Remembrance and show their respect with a quiet thank you. Watching students put a poppy in the Wall of Remembrance to honour these fallen men and women was very moving.

At the end of the day students attended the Last Post Ceremony including two of our students showing respect by laying a wreath at the based Pool of Reflection. This commemorative ceremony was telecast live and can be viewed at <https://youtu.be/dG2-kY2Qxt8>

MOUNT AINSLIE LOOKOUT

For picture-perfect views of Canberra, you can't go past the visit to Mount Ainslie. Students enjoyed not only the wonderful view, but the beautiful walk back down.

HANDS ON FUN AT CSIRO, AIS AND QUESTACON

Students also enjoyed some hands on fun at our visits to the CSIRO, the Australian Institute of Sport and Questacon.

We would like to thank the Australian Government for contributing \$60 per student towards the cost of our trip. The government recognises the importance of all young Australians being able to visit our national capital as part of their Civics and Citizenship education.

LEARNING ENHANCEMENT IN THE MIDDLE AND SENIOR SCHOOLS

The focus of learning enhancement is to ensure the curriculum is accessible to all students. We work collaboratively with teachers to deliver differentiated learning with work tasks allowing for a variety of learning styles and abilities.

Support is provided in class or in a small group dependent on the individual student's needs.

Parents can contact Mrs Robyn Philips (Middle School) or Dr Shirley Yates (Senior School) directly in relation to student support.

R-12 CASUAL DAY FRIDAY 24 MARCH

The R-12 Casual Day for Term 1 will be held on Friday 24 March (which coincides with Twilight Food Affair in the evening).

Students are encouraged to dress colourfully to tie in with our theme of "Express Yourself" and money raised from the gold coin donation collected through Home Classes will be donated to Youth Beyond Blue, an organisation which supports mental health initiatives for young people. More information will come soon to students regarding some lunchtime activities and stalls in the main quadrangle, where for a small cost students can buy a cupcake, or participate in fun activities to celebrate the theme.

PARENT TEACHER INTERVIEWS

Parent Teacher Interviews provide an opportunity for a discussion between a parent and their child's class teacher, or specialist teachers, about the child's progress and learning as they have settled into the new year level and classroom community.

Parent Teacher Interviews will be held in Week 9, Tuesday and Wednesday 28 and 29 March. Both evenings will be scheduled as follows:

- first interview at 3.30pm with the last interview concluding at 8.00pm
- a crèche will be available
- there are a limited number of before-school interviews, depending upon the availability of your child's teacher.

Bookings can be made through SOBS from Wednesday 15 March. Details on how to book will be sent home shortly.

EXCELLENCE AWARDS

Last Friday, Excellence Awards were awarded to **Kimora Njoroge** and **Joshua Winstanley**.

It is always a pleasure to see the fulsome descriptions the teachers write of their students and their achievements. Congratulations to Kimora and Josh on their award.

AFTER SCHOOL PICK UP

The following is a reminder about supervision of students in the Junior School car park after school.

The car park is supervised by teaching staff between 3:20pm and 3:40pm. Occasionally there are students remaining after 3:40pm who have not been picked up. Understandably, from time to time, parents may be running late. To ensure Junior School students are well cared for, the teacher on duty will take any students remaining after 3:40pm to the OSHC service which operates out of the Year 1/2 building. Camp Australia fees for after-school care will apply from 3:50pm.

Junior School students who are with a Middle or Senior School sibling may remain under the trees, or on the Year 1/2 verandah, until they are collected.

Thank you for your cooperation in this matter.

Mr John Dow

YEAR 6 PEER MEDIATION

On Wednesday 1 March, the Year 6 cohort ventured down to Sellicks Beach for a day of learning about Peer Mediation. Ms Emma Thompson led everyone in a fun and informative day. The students explored different ways of conflict management; discussing, role playing and thinking about appropriate responses. They will be well prepared now to become Peer Mediators in the yard at lunchtimes and help to work through conflicts with the younger students in the Junior School.

Students especially enjoyed the Lolly Shop; they could earn pop sticks to buy lollies by listening and being involved, and the shop was inundated with enthusiastic students. A fun but rather frustrating game of builders and architects was also explored, using straws and sticky tape.

We were fortunate to be able to use the Sellicks Beach Community Hall for our day out, even though it was rather warm and the air-conditioners struggled to cope. Everyone said they enjoyed the day and learnt a lot.

Ms Suzanne Schmidt
YEAR 6 TEACHER

HOUSE LUNCHTIME ACTIVITIES

The Junior School House Captains have been given extra responsibilities this year including, each House Captain being asked to plan and run an activity to involve students.

This week two lunchtime activities eventuated, and were organised and run by House Captains:

- **Jack** and **Taylor** organised a lunchtime cricket match for students in Years 5 and 6. Watch out for the Year 4 match coming soon.
- **Eliza** and **Isabel** ran a very popular session of Chalk Drawing for the Year 1-3 students.

We look forward to see what our House Captains have planned.

READERS' WORKSHOP IN YEAR 2

Did you know that books are like shoes? We all have certain shoes that appeal to us, that suit our needs and fit us comfortably. It's the same with books. Perhaps your pair of 'fluffy slippers' is a good novel that you can escape into after a long day. Maybe your go-to pair of 'trusty sneakers' is your most well-used and dog-eared cookbook. A pair of ballet pointe shoes might be quite uncomfortable to wear unless you have the skills and understanding to utilize them properly. In the same way, attempting to understand a medical textbook or deciphering a stock market report might just not fit you based on your knowledge or interests.

Choosing 'good fit books' is one of the first skills we have begun developing in our Readers' Workshop. We are learning to P.I.C.K. books based on what our PURPOSE is, what INTERESTS us, whether we can COMPREHEND what we are reading, and if we KNOW the words.

With the help of our R-3 Teacher-Librarian Mrs Jade Turner, we are learning to notice and explain the connections we make to the books we choose. We enjoy passing Mrs Turner's Golden Book around the circle to share ratings and recommendations for our current books, reasons why we connect with a certain text, or to introduce characters we've met in our reading.

Mrs Amy Watson
YEAR 2 TEACHER

JUNIOR SCHOOL LEARNING ENHANCEMENT

When I was a class teacher, I loved the start of a new school year; especially the time spent preparing the classroom learning space. Class teachers have so many decisions to make: how to place tables to encourage collaborative group work and independent enquiry too? Where to place the reading corner? How will I support students when working with iPads? Some students might like to stand while others have tummy time. Which learning tools need to be visible to support student engagement?

The classroom space is crucial to promoting and enhancing learning. Our aim is for the classroom environment to support all the learners in a class. Last year we began to introduce some flexible seating solutions, which are comfortable and sturdy. These ergonomic stools prove that our classroom furniture doesn't have to be traditional to effectively help students to learn. These come in various sizes and are proving to be beneficial for a range of learners and can be found in classrooms throughout the Junior School.

In addition, teachers from R-3 have participated in a workshop around supporting all students more closely with gross motor, fine motor, play and organisation. When we explore our own teaching practice further, we discover additional ways to further support students in our community; allowing them to engage and achieve in their learning.

CRAVE SEMINAR - MARGINS

The first of the Year 12 Crave Seminars was held on Wednesday 1 March. "Margins" explored the life stories of three refugees that, through no fault of their own, found themselves in the risky margins of life trying to survive.

December is a Burmese Christian lady who had to flee violence perpetrated by Buddhist extremists. She arrived here after escaping Burma and going through several refugee camps and then having the UN establish her refugee status. One of her precious experiences was arriving here and sleeping soundly without fear and the sounds of guns, oh... and experiencing apples!

Basbibbi is a young Afghan student who, at the age of seven, experienced the loss of her father Asnhad to flee recruitment by the Taliban and found his way to Australia. He got here after several refugee camps and 15 days on a boat that finally broke apart, sank and left him clinging to flotsam. Basbibbi and Asnhad were separated without word for 5 years until they were able to be reunited here.

Makura was a Sudanese uni student at the time he had to make a decision to flee recruitment into the armies by both sides of the North and South division in his country. His involvement would have seen him have to fight his own family members.

This seminar captivated, informed, challenged and generated robust debate about attitudes towards immigration and refugees generally. It also raised questions about our capacity as Australians to maintain an appropriate balance between the openness to the care of these people, need for security and resistance to the majority negative views of refugees in much of the media.

FOCUSING ON UNIFORM STANDARDS

We thank parents and students for the support shown for uniform and appearance guidelines in the beginning of the year. As we continue to focus on lifting our uniform standards we ask for the following areas to become a part of regular routines before coming in to the College grounds each day:

- Hair below the collar, and on the shoulders, is to be tied back completely for both boys and girls.
- One simple gold or metallic stud or sleeper in each ear lobe may be worn.
- All other piercings are not permitted. This includes the use of clear piercings.
- No new piercings are permitted throughout the school year. As such, no student should need to wear a piercing, or band aid to cover it from Week 7 of this term.
- Light foundation only may be worn for Senior School students.
- No make-up to be worn in Junior or Middle School.
- Skirt/dress length for girls is to be at the knee as a minimum length.
- Black leather shoes are to be worn in a polished state with uniform.

- Sport uniform is to be worn on the designated day that PE occurs. From Years 7-10 this is on the day where the double lesson occurs. Sports shoes can be worn on this day only.
- Students are not permitted to wear any other jewelry than a cross on a chain, watch and one simple gold or metallic stud or sleeper in each ear lobe.
- Students are expected to be completely clean shaven.

There is a focus upon the correct wearing of uniform each morning in Home Class, Year Level and at whole College events. Please refer to the Uniform Guidelines available on the College website.

While we acknowledge that the need may arise for understanding with regard to some variations in the wearing of uniform, we require parental advice explaining the reason for such variation. This information can be completed in the student planner or by email or letter to the Home Class or Class Teacher. A uniform pass will then be issued according to circumstance or, in the Senior School, the uniform can be supplied for wear (supplies permitting).

In the spirit of unity, we look forward to parents, students and staff working together to raise the standards of our uniform.

SURFING

The first round of the school surfing competition took place at Middleton on Friday 3 March.

Rhys Coventry and **Lucas Schroeder** competed in the Open Boys Division. They advanced through the first heat but unfortunately were narrowly knocked out by Pembroke, placing second in the second round.

Mitchell Francis and **Dan Diack** represented Tatachilla in the U16 Boys Division. They too progressed through the first heat but were knocked out in the second round by Victor Harbor High School. It was a very close contest and the boys caught two great waves just after the heat finished which, if counted, would have seen them advance to the next stage.

Kathryn Jellicoe and **Paris Hickling** competed in the Girls Whitewater competition. They surfed extremely well in their heats but just fell short of making it through to the semi-finals.

Congratulations to all the surfers who participated on the day, and special thanks goes to those who came down to support the team and who assisted with judging.

EQUESTRIAN EVENT

On Saturday 19 February the 2017 Mitavite Interschool Equestrian SA and Eastern Fleurieu School Gymkhana was held at Strathalbyn. Over 90 riders competed from 39 different schools across SA, with competitors travelling from as far as Barmera.

Congratulations to **Amber Thomas** (Yr 7) who won the aggregate trophy for her age (12 years) riding Rocket.

She placed second in a 45cm Show Jumping round and competed in a 65cm and 80cm Show Jumping round. The 80cm Show Jumping round was qualifying for a State competition.

Tatachilla finished 18th out of 39 schools that were represented. The State Championships will be held at the Wayville Showgrounds on 8-9 April.

SAPSASA CRICKET

The Tatachilla SAPSASA Cricket Team played the first of their knockout games on Thursday 2 March at McLaren Vale Primary School.

After winning the toss and electing to bat Captains, **Lachlan Nash** (18) and **Nathan Cranwell** (38*) got the team off to the perfect start with Tatachilla flying at 0/64 after 10 overs.

The retirement of Nathan and dismissal of Lachlan slowed the scoring rate a bit with **Charles Papworth** (10) and **James Maidment** (7) steadying the batting innings in preparation for a hard hitting finish, which saw Tatachilla 3/82 off 13 overs at drinks.

The loss of a wicket brought **Joe Last** (24) to the crease with **AJ Krause** (7) and **Zac Nicol** (6) saw an explosive finish to the innings with the boys finishing their allotted 25 overs at 9/146.

With McLaren Vale requiring six an over to win, early runs would be the key to a successful run chase. Thankfully, our opening bowlers **Joe Last** (3/0/5) and **Jimmy Maidment** (3/2/5) bowled consistent lines that made scoring hard and resulted in the opposing batsmen needing to force the shots. This resulted in wickets for Tatachilla and soon McLaren Vale were in trouble at 2/9 off of five overs.

With the introduction of **Taylor Goad** (2/2/8) and **Nathan Cranwell** (1/2/7) saw the scoreline worsen for McLaren Vale with the game slipping away quickly at 6/18 off of 8 overs.

Great ground fielding and excellent catching contributed to Tatachilla winning the game with **Charlie Smith** (2/1/7), **Taj Pocock** (1/1/6) and **Jack Bright** (1/1/1) picking up the remaining wickets to close the innings and declare the boy's round 1 winners.

Final scores: Tatachilla 9/146 def McLaren Vale 10/44

FLINDERS UNIVERSITY MINDFULNESS TRIAL

We are pleased to announce that we will be participating in a Flinders University research trial in Term 2 run by Catherine Johnson from the School of Psychology. The project is investigating mindfulness* as a preventive mental health strategy for a range of problems that commonly emerge in adolescence (anxiety, depression and eating disorders). The study will use an 8-week Belgian programme that has recently found both improvements in depression which lasted for 6 months in adolescents in a school based programme. We will test this across two age groups (selected Year 8 and Year 10 classes) to investigate when the mindfulness approach has the strongest effect.

Watch out for more detailed information and consent forms coming home with some Year 8 and Year 10 students soon!

*What is mindfulness? Mindfulness teaches greater awareness of the present moment (what's happening externally, as well as internal thoughts and feelings) and fosters an attitude of curiosity, patience, kindness and acceptance to our experience. Being able to drop an anchor and steady oneself in stormy situations allows us greater choice with how to respond to difficulties. Mindfulness targets the ability to tolerate intense negative emotions, soften harsh self-criticism and step out of ruminative thinking (magnifying and chewing on worries) which act as shared risk factors for a range of mental health disorders.

STALL HELPERS/VOLUNTEERS

JUNIOR SCHOOL STALLS

This year the Junior School will be hosting the Toasted Sandwiches & Hot Dogs Stall and the Milkshakes & Confectionery Stall and we need your help!

Donations of lollies are needed to make lolly bags for sale on the Confectionery Stall. One bag of lollies per family would be wonderful! Please bring them into the Junior School SSO. Volunteers are also needed to make up lolly bags up on the Thursday morning 23 March in the gym foyer.

We are also in need of some helpers on the night to assist with service on the stalls.

If you are able to help in anyway please contact Kay Digby on 8329 4411 or email kdigby@tatachilla.sa.edu.au

STALL ASSISTANTS

If you are able to spare some time to serve on a stall it would be greatly appreciated. Rosters will be drawn up allowing helpers to also enjoy time on the evening with their family and friends. Some of the stalls this year include:

Indian Curries, Hot Potatoes, BBQ - Hamburgers, Sausages, Kebabs & Hot Roast Rolls, Wine & Beer, Soft Drinks, Hot Chips, Toasted Sandwiches & Hotdogs, Milkshakes & Confectionery, Nachos and Hot Donuts.

HAVE YOUR SAY!

Imagine a shared trail for safe foot & bicycle access between McLaren Flat & McLaren Vale...

The Flat to the Vale Trail Community Group formed last winter. Since then, we have been 'hot on the trail' of making this trail a reality for the safety and enjoyment of our local community as well as visitors to our beautiful region.

This project has now made it onto the City of Onkaparinga's *DRAFT Trails and Cycling Network Maps*, which is now available online for one month only (20 Feb-20 Mar '17) for community engagement – your say.

Add your support for this trail – here's how:

- 1.** Go online: www.onkaparingacity.com
- 2.** Click on the orange tab at: **Community Engagement**
- 3.** Click 1st item: **Trails and Cycling Strategic Management Plan**
- 4.** Under 'Description' paragraph you can click on the link to: **Trails and Cycling Network**
- 5.** Have a look at the maps and descriptions. Flat to the Vale trail proposed connector trail is shown on the '**Urban Cycling & Pedestrian Network**'.
- 6.** Click on '**Survey**' tab and fill in the questionnaire. **Q7** is your chance to write a sentence or two about why you'd like to support the Flat to the Vale trail – safety, family enjoyment, offroad access between towns – choose your reason, mention the Flat to the Vale trail and have your say!

2017 Student Residential Address Collection

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested your child's school provide a *statement of addresses*, in accordance with section 21 of the *Australian Education Regulation 2013* (the Regulation).

A *statement of addresses* contains the following three pieces of information about students at the school:

- Students' residential address (**not student names or other identifying information**)
- Students' level of education (i.e. whether the student is receiving primary or secondary education)
- Students' boarding school status (boarders or day students)

Authority for and Purpose of Collection

Consistent with previous practice, and following the *2016 Australian Bureau of Statistics National Census of Population and Housing (Census)*, it is timely that information held by the department is updated in order to ensure that Australian Government funding calculations for your child's school are accurate.

Under section 21 of the Regulation, a *statement of addresses* **must not explicitly identify an individual student**. Accordingly, all information in the *statement of addresses* provided by your child's school to the department is de-identified.

Use and Disclosure of Information

It is important to ensure the *statements of addresses* are accurate, and the department may from time to time carry out audits of *statements of addresses* to verify their accuracy. In the event of an audit, the department's contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school for the purpose of verifying the information. The department's contractors will not use the information for any other purpose.

Any further use and disclosure of information relating to the *statement of addresses* will occur in accordance with section 65 of the Regulation.
