**TATACHILLA**  
lutheran college

Term 2 | Week 4 | Friday 26 May 2017

## from the **HEAD OF JUNIOR SCHOOL**

### **THINGS THAT COME IN THREES**

In addition to the three wise men and the three little pigs, Reception classes at Tatachilla Lutheran College will also come in threes from next year.

The College is offering an additional 25 Reception places in 2018, and there is already strong interest from the community in securing them. This heralds a period of change and opportunity for the Junior School, and importantly, many things about the Junior School will not change.

What will change? We are currently in the design development phase of plans for upgrading the current Reception Learning Centre to house three classrooms. The architect has reconfigured the internal walls, and extended the building out on three sides, to create three, spacious learning spaces that will have access to covered areas outside, directly from the classroom. They will also have interconnecting doors, to allow the classes to come together when they want to, and to have their own discrete

learning space. We anticipate that the redeveloped building will promote collaboration, a flexible approach to the use of space, creativity and a closer connection to the natural environment that we have in abundance at Tatachilla. The building project will require the 2018 Reception classes to be housed in temporary accommodation until the work is complete. Details of this are currently under consideration.

Many things will stay the same. Our expert Reception teachers, all the necessary resources for learning and teaching, access to our specialist teachers and the curriculum will be in place for the three classes next year. What we provide for two classes will be replicated for the third. In each Reception classroom there will be a program that allows students to learn the important foundational literacy and numeracy skills at their individual point of challenge.

Opportunities abound. We are providing 25 additional places for families to experience a Christian education and to further promote the

values that we share as a community. The Junior School campus will be redeveloped to accommodate the additional class, providing a dynamic environment for the quality teaching and learning that takes place every day. This will be planned in the context of the master planning process which is about to begin.

The College has a strong belief in the positive learning and wellbeing benefits of providing additional enrolment opportunities for our community. We are excited about this new announcement for our community and look forward to providing the ongoing excellence in education, pastoral care and strong Christian values for which our College is known.

We appreciate your understanding through this time of exciting change for our community and encourage you to seek any clarification you may require.

**Mr John Dow**

## **GRANDPARENTS AND SPECIAL FRIENDS DAY**

Grandparents were warmly welcomed to visit their loved ones last Friday for our 2017 Grandparents and Special Friends' Day.

Highlights included our special visitors enjoying time at the Junior School Chapel, visiting the classrooms where they played games, viewing the students work, and attending the Book Fair. To end their visit they were treated to a lovely baked scones morning tea in the gym.

We thank each visitor for joining us for the occasion – your presence means so much to the very special young people at Tatachilla.

Relive the joy, love and laughter through this video. Brought to you by Year 10 students, Will Layton, Lindsay Clifton and Emily Dunbar at <https://vimeo.com/218112153>

**Mrs Kay Digby**

COMMUNITY RELATIONS & FUNDRAISING OFFICER

## **YEAR 5 BUSH PICNIC**

Last Sunday afternoon at Kuitpo Forest a group of parents, children and teachers gathered for the Annual Fab 5 Bush Picnic. This was our fifth such gathering and the day was full of fun, laughter, exploring, making fires, cooking marshmallows and eating well cooked meat on the BBQ plate.

We had no other motive, other than to just be together and to enjoy each other's company in a special place and time.

In one conversation, the topic of whether young people have changed over the years came up. A comment was made, 'No I don't think so.' Even with all the technology that is available to young people now, if they are given the opportunity to explore, discover, create and build they will. There is a spirit of adventure in all of us. It just needs the opportunity to flourish.

The Kuitpo picnic reflected in just a small, but significant way, that the College is a community of people who are committed to making a difference in the lives of the young people in their care.

The children ran free within the natural boundaries we set for them and there was a security for them to go off adventuring, but to always know that they could come back to get some food and drink any time they liked. They could light a fire in one of the designated fire rings and sit around talking with mates while toasting marshmallows. They would come back to the grown ups with comments like, 'Come and see what we've made!'

The parents who came talked freely and in a way that was welcoming of others. There were at least one family new to our school and they were made to feel welcome, included and a part of this wonderful community.

Our theme for this year is LIVE LOVE LEARN and we experienced that last Sunday to the fullest.

**Mr Andrew Squire, Mrs Emma Murphy, and Mrs Suzanne Vile**  
YEAR 5 TEACHERS

# from the **JUNIOR SCHOOL**

## **CURRICULUM MATTERS**

### **REPORTING ON STUDENT LEARNING**

Ongoing assessment and feedback about student learning to parents and students occurs in many ways across the course of a year. NAPLAN provides a snapshot of learning for Year 3 and 5 students in relation to school and national results as well as very helpful information for teachers about individual student learning growth over two years, curriculum strengths and school trends. Semester reports are another form of feedback on student learning. These reports are school generated with Semester 1 reporting on learning progress and Semester 2 reports documenting end of year achievement. Parent/teacher interviews in Term 1 and student-led conferences in Term 3 provide another insight into student learning. Students in Years 1-6 also complete mathematics, reading and spelling assessments in October each year which provide us with learning progress data for each student that can be tracked throughout their time at the College in Years 1-9.

Powerful and exciting sharing of student learning also occurs when students plan and share their knowledge, understandings and skills with parents in forums such as the recent Year 4 Recycling/Reusing Exhibition. The level of student excitement and parent engagement in the evening was exceptional. Students not only learnt to interact with and share their thinking and learning with numerous parents, but also how to act, communicate and respond in a formal gallery setting. Congratulations to the Year 4 students, teachers and parents on a wonderful gallery experience showcasing student learning. Stay tuned for a range of ways students in different year levels will be sharing and reporting on their learning with you this year.

**Mrs Ali Thacker**

ASSISTANT HEAD JUNIOR SCHOOL: TEACHING AND LEARNING

## **RECEPTIONS EXCURSION**

The Hahndorf Farm Barn was a place of wonder and deep learning for our Reception children on 10 May. There were happy, excited, surprised, and some anxious moments for the children when they were touching, patting, feeding and holding animals. Questioning, exploring and risk taking occurred especially when some children went inside the calf pen. The farmer had explained how the calves were almost their height and quite pushy. Our Science unit is called STAYING ALIVE. This excursion has provided the opportunity for the children to develop the concepts of responsibility and cause and effect. Many thanks to the parents who travelled by car and bus to support our students' learning and to create beautiful memories.

## **YEAR 7 VACANCIES 2018**

Additional enrolment vacancies are now available in Year 7, 2018 due to the introduction of an additional class!

For more information please visit our website or contact Mrs Christine Martin, Enrolments and Administration Officer by emailing [cmartin@tatachilla.sa.edu.au](mailto:cmartin@tatachilla.sa.edu.au) or phone 8323 9588.

# from the JUNIOR SCHOOL

## KABOOM PERCUSSION

Last Tuesday we were visited by Cat and Josh from Kaboom Percussion. Both freelance percussionists based in Perth, they have a wide range of musical experience between them and have been working together for the past decade. They both work as performers, instrumental teachers, ensemble directors and composers, and they play a mean cup!

Cat has a Masters degree from the University of Western Australia, and plays regularly with the WA Symphony Orchestra.

Josh has a Masters degree from the WA Academy of Performing Arts, and has made numerous trips to Hungary to study the cimbalom (a hammered dulcimer: a type of chordophone composed of a large box with metal strings stretched across its top).

They inspired and amazed our Years 4-6 students, showing the exciting possibilities of music through the world of percussion. Cat and Josh used brooms, cups, chairs and body percussion mixed with magic, juggling, and laughter to truly entertain us. Students were also part of this interactive performance and were invited to create rhythms as part of their show. We will follow up this performance with various activities in our Performing Arts lessons during the rest of this term.

Kaboom Percussion have a youtube channel where you can see their percussion ideas and videos and they post a new video every fortnight. <https://www.youtube.com/channel/UCKTAPsxJcdfc6K3blimyRGQ>

**Mrs Sue Matena**  
R-6 PERFORMING ARTS KEY TEACHER

## BOOK FAIR 2017

The Tatachilla Lutheran College Library recently hosted the Scholastic Book Fair from 18-23 May 2017.

This was a wonderful opportunity for students, staff and the community to purchase a range of picture books, fiction and non-fiction titles as part of a fundraising effort. A proportion of sales from the Book Fair will be used to acquire additional resources for our Junior and Main Library. A highlight of this week was Grandparents' Day, where students shared books and stories with their loved ones, whilst touring the Library spaces. It was great to see the community engaging with one another in this way and sharing in the love of reading!

A sincere thank you to all those families that have supported the College so generously during this annual event.

**Ms Louise Catt**  
R-12 LIBRARY COORDINATOR

## TREE PLANTING

Tree Day 2017 will take place on Tuesday 6 June and Thursday 8 June (Week 6). Information will be sent home letting parents/carers know which day their child's class is planting. As in the past, students are encouraged to bring along boots/old sneakers, a warm (non-uniform) jacket and gardening gloves.

This year we will be planting 600 manna gums in the tree lot, located in the south eastern corner of the College. At present Cleland Wildlife Park harvest gum leaves from the red gums located in the College wood lot to feed their koalas and the addition of the manna gums will become an additional food source for the koalas that can be harvested once established.

**Mrs Kristy Burns**  
ENVIRONMENTAL SUPPORT OFFICER

# from the head of **MIDDLE SCHOOL**

## **CREATING TRANSFORMATIONAL LEARNING EXPERIENCES IN THE MIDDLE YEARS**

Our hearts and minds were moved on the afternoon of Wednesday 17 May as we celebrated the talents, gifts and vocations of our Year 9s at the Specialness Project Display. Throughout the year, Year 9 students have been exploring what deeply matters to them and how they can use their talents, strengths and beliefs they have with purpose and service to others. We have been exploring how this becomes the vocation they have within their lives.

Parents and special friends were invited to come and share in the students' presentations as they answered questions based around their project, process and how a sense of vocation could be seen in their project.

We were immensely proud of the way our young people communicated their passions, what deeply matters to them and how they can be a service to others. We thank all the parents, grandparents, relatives and friends who joined us in this celebration and to every parent and mentor who helped shape their teenager's project and embraced the transformational learning experience that the Specialness Project provides to our young peoples' development and pathway into the senior years of their schooling.

## **THE POWER OF GRANDPARENTS**

We were delighted to host R-7 Grandparents & Special Friends' Day on Friday 19 May with over 700 grandparents and special friends attending over the course of the day. Grandparents/Special Friends Day is a wonderful tradition in our community as we make rich connections and say thank you to these people in our young peoples' lives.

Our Year 7s were wonderful hosts to their guests and displayed their learning environment, introduced their friends and teachers with such joy and pride. There is always a beautiful exchange of stories from grandparents of their time growing up and schooling and how times have changed and how they wish school was like this for them.

Thank you to Year 7 parents who communicated with their parents and special friends to make this day happen and validate the powerful role that these people have in your family's life.

## **PARENT TEACHER INTERVIEWS**

During Week 2 and 3 Parent Teacher Interviews occurred. Thank you to parents who were able to attend these times and making connections with your child's teachers. If you were unable to attend please do not hesitate in making contact with your child's teachers via the College or email. We continue to invite you to check SEQTA-Engage regularly for feedback on your child's learning and do not hesitate to contact teachers if you have any concerns.

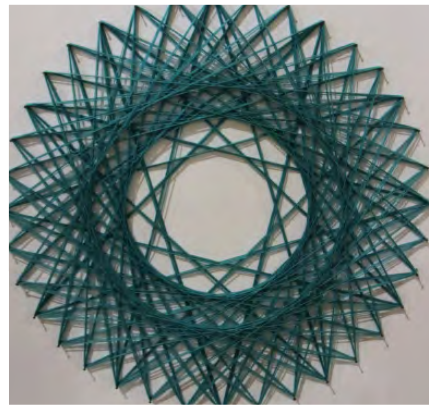

Every blessing for the week ahead,

**Ms Sarah Hoff-Zweck**  
HEAD OF MIDDLE SCHOOL

yr 9

# SPECIALNESS PROJECTS

## around the **CAMPUS**

### **NATIONAL RECONCILIATION WEEK 2017**

Each year, National Reconciliation Week celebrates and builds on respectful relationships shared by Aboriginal and Torres Strait Islander peoples and the wider Australian community. It is a time for all Australians to learn about shared histories, cultures and achievements, and to explore how each of us can join, and positively contribute to the nation's reconciliation journey.

Reconciliation Week is book ended by two important anniversaries. One being 27 May 1967 – on this day, a referendum saw more than 90% of Australians vote to give the Australian Government power to make laws for Aboriginal and Torres Strait Islander people and recognise them in the Census. And two; 3 June 1992 the High Court delivered the Mabo Decision, the culmination of Eddie Koiki Mabo's challenge to the legal fiction of 'terra nullius' (land belonging to no one) and leading to the legal recognition of Aboriginal and Torres Strait Islander peoples as the Traditional Owners and Custodians of lands.

This year those dates are especially significant being the 50th Anniversary of the Referendum and the 25th of the Mabo decision. The theme for NRW 2017, 'Let's take the next steps', invites all Australians to join in the next stage of the nation's reconciliation story. Source and further information: Narragunnawali <http://www.reconciliation.org.au/nrw/>

**Mrs Dolores Amos**  
ENVIROMENT OFFICER

### **JAPANESE SISTER SCHOOL VISIT**

We are delighted to announce that 23 students from our Japanese sister school, Toryo High School will be visiting Tatchilla Lutheran College 31 July - 7 August 2017. This will be Toryo's first visit back in two years and it promises to be a wonderful exchange visit.

We are now seeking interested College families who would like to host a Toryo High School student for this time. The students are approximately 15-16 years old and we are hoping to have as many students as possible hosted by families from within the school. This opportunity is therefore open to all students from Reception to Year 12, with priority will be given to families from middle/senior students.

An information session will be held on Thursday 8 June, 6-7pm in the Activity Centre. Any families that are interested in this experience may come along and have an opportunity to ask any questions that they may have. Application forms are available from our Middle and Senior School Offices, or by contacting Mr Peter Ward, Languages Coordinator on 8323 9588 or [peter.ward@tatchilla.sa.edu.au](mailto:peter.ward@tatchilla.sa.edu.au)

Don't miss out on this fantastic opportunity!

**Mr Peter Ward**  
LANGUAGES COORDINATOR

### **NATIONAL DISABILITY DATA COLLECTION**

In Term 3, our College will be taking part in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). All Government, Independent and Catholic schools will be completing this data collection across Australia. This requires the College to provide the Australian Government, Department of Education, with data relating to support provided to students with disabilities.

All information provided to the Department is de-identified and aggregated sufficiently so that no individual student's identity can be reasonably ascertained. The College is currently in the process of collating this information, which will be submitted in August.

If you do not want our College to provide de-identified data about your child to the Australian Government Department of Education, you can 'opt-out'; this involves completing an opt-out form. Please contact Karen Turner on 8323 4403 if you have any further questions or wish to opt out. If you do not advise you wish to opt-out, de-identified information about your child will be included in the 2017 data collection.

Further information about the project can be found at <https://docs.education.gov.au/node/32685>

**Mrs Karen Turner**  
LEARNING ENHANCEMENT COORDINATOR

# from the SENIOR SCHOOL

## FROM THE WELLBEING TEAM

### SRC HAPPENINGS

Recently in 7-12 SRC we have been discussing in more detail the purpose of student leadership and developing some SRC projects for Term 3. We have been analysing the connection between 'Head' leadership (how we bring our critical thinking skills to leadership, including decision-making, participation in meetings and our communication with each other and the wider school community) 'Hands' leadership (bringing our organisational skills to bear on school events, with all hands on deck to make the event happen) and 'Heart' leadership (connecting with others, building relationships across the sub-schools and making a difference to the culture of the community). I have been impressed by the willingness and the capacity of our SRC leaders to think creatively and collaboratively, both for events that are already in the pipeline and for upcoming projects.

### CHALLENGE FOR CHARITY

C4C17 will take place on Tuesday 4 July (last day of Term 2). Our student leaders this year developed a survey where the whole school community was able to provide their feedback on the preferred charity, and this will be confirmed this week as we analyse the survey data. Once the charity has been confirmed, the student leaders will develop a theme, and this will be communicated to the R-12 College community. Challenge for Charity is a significant event in our school calendar, and the idea behind the event is that we are challenged to place ourselves in the shoes of others, and walk a while in their lives, to fully understand and appreciate the diversity of experiences and challenges that others face.

The traditional dress up along the theme (with an associated gold coin donation) plus a variety of activities will take place again this year. More information will come very soon

### GRIP NATIONAL LEADERSHIP CAMP 2017

For the past two years our Year 9 and 12 student leaders have participated in GRIP training. This has been a rewarding experience for our student leaders.

Would you like to develop valuable leadership skills whilst having enormous fun during the July school holidays? Students in Years 10-12 are invited to participate in a National Leadership Camp hosted by the GRIP Leadership Team. This camp is a separate event to the training and is open to any student regardless of whether they hold an official leadership title.

Teenagers from around Australia will be gathering for the 4-day camp from 3-6 July being held in Brisbane. GRIP Leadership is well known for organising Australia's largest student leadership events and helping students reach their potential as a leader.

Full details are available at [www.gripleadership.com.au/camp](http://www.gripleadership.com.au/camp)

**Mrs Elizabeth Bentley**

ASSISTANT HEAD OF MIDDLE & SENIOR SCHOOL: WELLBEING

# ENTERTAINMENT BOOK

Tatachilla will again offer the Entertainment Book for sale this year. Those of you who may have purchased these books before will have experienced the great value they offer.

This year, the Entertainment Book is offered at a cost of \$70.00 of which the College receives \$14.00.

The books have now arrived and have been distributed to each family via the youngest child.

If you have not received your copy please contact the College Office by phoning 8323 9588.

If you would like to buy a book just complete the order form enclosed with the book and return to the College Office with payment or pay directly online at the College Order Page <https://www.entertainmentbook.com.au/orderbooks/161f869>

Additional copies will be available for those who wish to purchase extras for family and friends.

Choose the Entertainment Book that suits you!

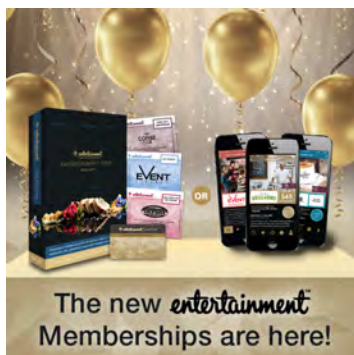

### The Entertainment™ Book Membership:

The Entertainment™ Book is a local restaurant and activity guide which provides hundreds of up to 50% off and 2-for-1 offers for the finest restaurants, cafés, attractions, activities, retailers and hotel accommodation. The Book gives you exclusive offers that are virtually restriction free, literally pages and pages of offers to enjoy all year long.

### The new Entertainment™ Digital

**Membership:** The brand new Entertainment™ Digital Membership puts the value of the

Entertainment™ Book into your Apple or Android smartphone. With 'near me' technology and the ability to show and save using your phone, this is perfect for the person on-the-go, with no Card or Voucher to present.

The new *entertainment*  
Memberships are here!

# from the SPORTS FIELDS

## SURFING

The second round of the school surfing competition took place at Middleton on Friday 19 May. **Oscar Anthoney** and **Lucas Schroeder** competed in the Open Boys division. They advanced through the first heat but unfortunately did not progress past the second round. **Mitch Francis** and **Dan Diack** represented Tatachilla in the U16 Boys division. They too progressed through the first heat but were knocked out in the second round. In the Girls Whitewater Competition **Paris Hickling, Amber Bussenschutt, Tyla Pyman, Molly Parish, Grace Last, Pheemie Geelen, Jacinta Trebilcock, Oliva Chaplin** represented Tatachilla. Congratulations goes to **Tyla Pyman** who made it to the semi-finals and **Paris Hickling** who progressed into the finals and finished in fifth place. Special thanks go to those who came down to support the team and who assisted with judging.

**Ms Jacqui Schar**  
TEAM COACH

## OPEN GIRLS NETBALL

On Monday 22 May the Open Girls' Netball Team played their first netball match of the season against Glenunga at Tatachilla. The game was a hard-fought game with Glenunga having the lead at half time by three goals. Not going down without a fight the Tatachilla girls pulled out an exciting performance in the third quarter to come off leading by three goals having won the third quarter by six goals. The final score being 59-47 with Tatachilla being the overall winners was a testament to how hard the girls fought for the win. A brilliant start to the season, well done ladies.

TEAM: **Abbey Bartle, Alicia Watt, Jade Anderson-Ives, Rachel Jeynes (C), Deannah Haddy, Chelsea Levy, Breannan Milton-Wren and Annabel Crawford**

**Ms Laura Simmons**  
OPEN GIRLS NETBALL COACH

## INDIVIDUAL SPORTING ACHIEVEMENTS

Congratulations to **Grace Poyzer** who came fourth in the first round of qualifying for the SAPSASA Golf competition played at the Willunga Golf Course on 18 May 2017. Grace now progresses to the second round to be played in June.

Congratulations to **Kenya Thomas** and **Angus Hincksman** who have been selected in the SAPSASA Swimming State Team to compete at the Pacific School Games in Adelaide 2-9 December.

Congratulations to **Sarah Wright** and **Teah Charlton** who have been selected in the U15 Girls South Australian Football Team. The girls will compete in Perth from 22-29 July.

Congratulations to **Grace Deacon** (11 yr girl - gold medal) and **Seth Read** (10 yr boys - runner-up) who competed at the recent SAPSASA District 1500m Challenge.

## 8/9 VOLLEYBALL

The Year 8/9 Girls' Volleyball Team had a great day at Seaford on Tuesday 16 May. The girls played four games and improved a lot throughout the day. They managed a win in their last game of the day against Seaford. Thank you to our Year 12 student coach and umpire **Natalia Kerrisk** for the support and encouragement she gave all day. What an awesome bunch of girls to take out for the day!

**Miss Tonia Fielke**  
5-12 SPORTS COORDINATOR

## YEAR 6/7 KNOCKOUT NETBALL

On Friday 12 May Tatachilla played Willunga Primary School. The girls worked well as a team, coming out as the eventual winners 23-7. Congratulations to **Jade Deacon, Bella Kolencik, Amber Thomas, Abi Hodge, Kasey Lloyd, Kimberley Rowe, Grace Deacon, Jolie Malinowski, Desiree Cooke** and **Hannah Nelson**.

Thanks to **Alyssa Harding** and **Rachel Jeynes** for umpiring.

**Mrs Tracy McAvaney**  
TEAM COACH

## TATACHILLA LUTHERAN COLLEGE

All funds raised will go towards the Year 7 STEM Facility.

Thank you for your support. You will be provided with a tax-deductible receipt.

### OFFER 1: \$100

#### INDIVIDUAL PAVERS

Your donation of \$100 or more entitles you to have your name engraved into a paver as a lasting record of your valued support. The paver will be permanently installed in the **Year 7 STEM Facility** proudly showing your donation.

### OFFER 2: \$200

#### DOUBLE PAVERS

Your donation of \$200 or more entitles you to have your name engraved into two pavers as a lasting record of your valued support. The pavers will be permanently installed in the **Year 7 STEM Facility** proudly showing your donation.

Simply fill out this form and return along with full payment by cheque, cash or money order to:  
(Alternatively, call 08 8323 9788 to make a credit card payment over the phone).

## GREAT FUN

- ★ Outdoor games and sports
- ★ Arts & Crafts
- ★ Playing with friends
- ★ Great Educators
- ★ Food and Cooking
- ★ Indoor Activities

At OHSC this term children will be taking part in a project to promote sustainable practices such as reduce, re-use and recycle and embed them into our program. Part of this will include planting mini gardens (herbs Winter, salad Summer). Practices will continue through the remainder of the term and the year beyond.

Everyone has been requested to bring in a photograph of their pet. This is to support care for animals and to recognise them as a special part of our families.

Throughout this term activities and discussion will take place for children to further develop their understandings of people who may have a disability and to also understand that we all have some form of disability. It is just that some are more pronounced than others. We will talk about ways that we can assist others to feel comfortable with their disability and not to be discriminating.

Please talk to your child about what has been done at OHSC and let us know of any suggestions that you may have for us in order for us to continue to improve our service. This can be done by talking to a team member, adding a comment in the Communication Book or by dropping an idea into the Suggestion Box.

Holiday Club is now taking bookings on line for the mid-year break. Please note that care will be available at OHSC for the three Student Free Days prior to the holidays proper.

Yours in Child Care

Bryan, Zoe and Lin
