Academic Scholarships

An Academic Scholarship is a financial bursary awarded by the College to a student who is achieving significantly high and consistent results in their studies. To determine each individual student academic level, applicants will sit an examination which will provide data to the College, along with current school reports, as to the suitability of individuals to be offered an Academic Scholarship. The bursary is given to the student in the form of a discount on their annual tuition fees.

Academic Scholarships are available for students entering Years 7, 10 or 11 each academic year. Academic Scholarships are open to all students, including those students already attending Tatachilla Lutheran College and those not currently enrolled at the College, but wish to be.

The scholarships are awarded based on a competitive examination conducted by Tatachilla Lutheran College in conjunction with ACER. Students should be able to demonstrate a high level of achievement in all major curriculum areas including English, Mathematics and the Humanities. They should also possess a high level of all round ability.

Students short listed for scholarship after the initial Academic Examination will have an interview with a member of the College Executive Team.

The College may take a family's financial situation into account and parents in this situation should flag this on the initial Application Form to the College. Scholarship values vary from 20% to 50% reduction of the annual tuition fees and offer remission on these fees for a period of up to three (3) years provided the student adheres to the Academic Scholarship conditions.

All scholarships are reviewed annually and the continuation of an award is dependent on the scholarship holder's performance, academic effort, behaviour, participation and contribution to the overall life of the College as outlined in the scholarship contract. All Academic Scholarships are valid for a maximum of three (3) years. Students who receive an Academic Scholarship in Year 7 are eligible to re-apply in Year 10 or 11.

Students awarded a Scholarship will be subject to an interim review at the end of each term and at the end of the first year and then more formal reviews as required.
