

Remote Education planning in the Junior School - am I ready to learn?

-  I have had breakfast
-  I am in my PE uniform
-  I have a tidy desk at my learning space (not my bedroom)
-  I have my water bottle next to me
-  Device is turned on and charged
-  I am sitting on a chair with my device
-  An adult can see me
-  I have my pencils and books next to me ready to learn
-  I have questions ready to ask my teacher
-  I know what my expected behaviours are during learning
