TUITION FEES

The Tatachilla Lutheran College Board determines tuition fees annually covering the common costs for the tuition of all students in a given year.

All parents and/or caregivers need to complete a 'Direct Debit Payment Plan' and return it to the College by 31st October 2026 as all direct debit plans begin in November of the year prior to the commencement of the school year.

Accounts for tuition fees are rendered in advance in October and are payable via the College's direct debit payment system. When tuition fees are paid upfront by 31st December the year prior to enrolment of the new school year, a 3% discount will be applied.

Parents and/or Caregivers are expected to give a minimum of one term notice in writing should they wish to withdraw their child from the College. In the absence of a term's notice in writing the penalty on any withdrawal of a student from the College is one term's tuition fee.

The College Board reserves the right to terminate the enrolment of a student whose fees are in arrears. Such action will normally only be taken where negotiations regarding payment arrangements have broken down, or where parents or caregivers have failed to cooperate in resolving the outstanding debt.

LUTHERAN COLLEGE

The College does not carry fees forward into the next billing year. Fees under agreed payment plans with the College must be finalised by the end of October each year.

Family accounts will not be split and will be billed as per the Enrolment Form. Where this represents a separated family, the College expects the enrolling parents and/or caregivers to arrange payment plans between themselves ensuring all fees are up to date. Parents or caregivers, as per the Enrolment Form, are jointly and severally liable for payment of all fees and other costs invoiced that are associated with the education of the student.

The College recognises the financial commitment made by families with more than one child enrolled at the College. Sibling discounts will apply to tuition fees as per the Fee Schedule for children from the same immediate family, as recorded on the Enrolment Form, who are concurrently enrolled at the College.

The sibling discount applies to tuition fees only and does not apply to levies, charges, extracurricular activities, excursions, or other fees unless expressly stated otherwise in the Fee Schedule.

The College reserves the right to review eligibility for the sibling discount where circumstances change or where information provided to the College is inaccurate, misleading or incomplete.
