TATACHILLA
lutheran college

Term 3 | Week 6 | Friday 31 August 2018

from the **HEAD OF SENIOR SCHOOL**

The last few weeks have been a flurry of activity in the Senior School. There is often a great deal happening at this time of the year that serves to remind me how privileged my position is to be able to work with young people and how blessed we are as a community to share our talents and make connections.

We are constantly looking at ways to build community engagement and involvement for members of our community in which to learn and work and I am pleased to be able to report on some of the most recent of these.

STUDENT ACADEMIC AWARDS ASSEMBLY

It was with great pleasure that we celebrated the Semester 1 academic success and endeavours of our Senior School students at our recent assembly. It is admirable that students are working towards academic and personal excellence in their studies.

Congratulations again to these students.

YEAR 10

Top of the Subject

Catrina Amabili Dance
Zane Annand Health and PE, Small Engines, Wood Tech.
Sarah Burns Pre-Essential Mathematics
Rory Bowles Crave, Elective PE, English, Mathematics, Media, Science Core
Jessica Hands Geography
Finn Mayne Japanese
Lucy Newman Drama, Music
Abigail Skeffington Food Technology
Ruby Thomas Health and PE
Jay Van Dam Art
Charles Walker Science Essentials

Academic Excellence

Zane Annand, Rory Bowles, Eleanor Corner, Lexie Denton, Tyla Ebert, Finn Mayne, Amanda Pelham, Tyla Pyman, Abigail Skeffington, Jay Van Dam, Grace Wormald

Academic Endeavour

Sophie Clayton, Hannah Miller, Rohan Minniss, Joshua O'Sullivan, Billy Smith, Ruby Thomas

YEAR 11

Top of the Subject

Jessica Allan Japanese
Jade Benn Chemistry, Crave
Aiden Buitenga Computer Aided Design
Brieena Comis Art, English Literary Studies
Tully Doddridge Media
James Lawton English
Will Layton Drama
Jamie Lowe Biology
Jasmin Klassen-Thomas Modern History
Tesema Krause Music Experience
Gabriela Mantilla Music Advanced, Photography
Phebe Mooney General Mathematics, Physical Education, Psychology
Brianna McIver Electronics, English, Mathematics Level 1, Mathematical Methods, Physics, Science
Eloise Morris Dance
Kane Nelson Specialist Mathematics
Thomas Patton Business Studies
Gabriella Scarpantoni Food and Hospitality
Airlie Schirmer Child Studies
Charli Zimmer Wood Technology

Academic Excellence

Jade Benn, Aiden Buitenga, Brieena Comis, Piper Cunningham, Tully Doddridge, Mary Gregory, Alyssa Harding, James Lawton, Will Layton, Jamie Lowe, Gabriela Mantilla, Brianna McIver, Phebe Mooney, Airlie Schirmer, Charli Zimmer

Academic Endeavour

Lindsay Clifton, Joe Dickinson, Briana Jenkins, Maddison Seeley

from the head of **SENIOR SCHOOL cont...**

PAUL DILLON

We were visited last week by drug and alcohol expert Paul Dillon – who was welcomed and respected by all of our senior students. Paul returned this year with new and relevant evidence to keep our young people informed and safe. Student response to this speaker is always positive due, not only, to the pertinent material, but also the method of delivery in which Paul provides practical advice with a dash of humour. Student testimonials, as you can read below, reveal a genuine connection with the information and speaker.

'Paul Dillon tells us about real life situations so we know the risks, but he helps us to know what to do so we don't feel scared of the unknown. It's good to know important information can be given in a fun to know way.'

'In a world of risk taking, it's good to know that my generation is making good choices and non-drinkers are the biggest group of people in my age group. His information is good to know so I can help others if I need to in a safe and useful way. I would love to hear him again next year because he always has new information to share.'

LEADERSHIP SELECTION

The Senior School leadership process is well under way this term with applicants having expressed interest and undertaken their interviews. The next stage of the process for the selection of College Captain, Deputy Captain and House Leader positions is for selected students to address their peers and staff in a formal speech. I wish to express my thanks to the students who have taken the time and effort to undergo the process and put themselves forward for consideration. These important positions of service in the College community require dedication and precious time that is much appreciated by staff and students alike.

COMMUNITY SERVICE AWARD

We recently recognised **Jay Van Dam** for her community contribution to the school through her work in Art. She worked effectively and generously in partnership to create a large-scale mural for the new Year 7 outdoor area. While completing this, she demonstrated outstanding personal qualities of unwavering focus, dedication and initiative. The significant piece of art created will be valued by the whole school community - especially the Year 7 students who will be able to enjoy and add to the mural over the school year. Thank you to Jay and Ms McVicar for the wonderful work of art.

'This opportunity has been invaluable as I was able to learn many new skills working on a large scale. Ms McVicar and I spent the day sketching up a plan, painting and adding finishing touches. Some skills I learnt include how to handle paints and using paint rollers, we also used chalk string to create a grid which I had never done before. This was a truly rewarding experience as I learnt a lot about perseverance. I am very honoured with this award but above all so grateful for the experience and opportunity to learn.' **Jay Van Dam**

EVATT UN DIPLOMACY COMPETITION

Our thanks go to Ms Stacey Moros and Mr Richard Rowe for their work with this student opportunity. Congratulations to the students who represented the College in the first round of the EVATT UN Diplomacy Competition. We wish them every success in their debates surrounding the question of international aid agencies.

Yours in Christ

Mrs Marylyn Marshall

from the SENIOR SCHOOL

STAGE 1 TOURISM EXCURSION

Students from the Stage 1 Tourism class participated in a field study of McLaren Vale on 23 August. The aim of the investigation was to determine whether tourism has had a positive impact on the region. Students considered the triple bottom line (positive and negative environmental, economic and social aspects).

The class visited a variety of locations including the McLaren Vale Visitor Centre, Robern Menz Chocolates, Maxwell's Maze, D'Arenberg Cube, Hardy's Tintara Winery Art Gallery and The Ebert Family's Bed and Breakfast. They also conducted surveys of tourists, businesses and local residents to further ascertain the potential impacts of tourism and discover the opinions of different interest groups.

Thank you to Cathy at the McLaren Vale Visitor Centre who spoke to us about the number of different tourists and attractions in the area and the impact this has on the community and Lisa from Robern Menz Chocolates who shared some of their history. Special thanks also to the D'Arenberg Winery who went out of their way to allow our students through the cube at very short notice and without cost. We are extremely grateful as the majority of our students had never been before and said it was the best part of the day.

Overall this excursion was an extremely valuable learning experience with the students being very enthusiastic, well-mannered and highly engaged.

"Being a local, it was good to get into a tourist's shoes and see the area from a different perspective"

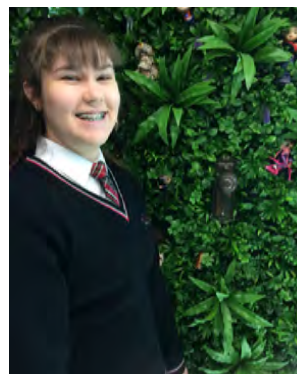

"The cube was interesting, although a bit weird but in a good way. I liked the artwork"

"I liked getting free fruit chocs"

"I thought it was cool to find out about Mr Ebert's bed and breakfast and the financial side of his business"

Ms Bec Williams

PERSONAL LEARNING PLAN KEY TEACHER

EVATT UN DIPLOMACY COMPETITION

On Thursday 16 August, eight excited and enthusiastic students participated against other schools in the EVATT UN Diplomacy competition.

This is the third year Tatachilla has entered teams in this competition that is run annually and provides High School students the opportunity to showcase their debating and negotiating skills in discussing current global issues.

Students from Year 10-12 participated in teams of two and were asked to be delegates for the designated countries. Students displayed confidence, intelligence and passion whilst assuming the important role of representing their country's perspective on the conflict between Iran and Israel and the lethal autonomous weapons. Congratulations to all students involved on the day.

Tatachilla now has two teams in the Semi Final to be held at Adelaide University on Saturday 1 September. The following students to be competing in the Semi Finals are **Thomas Patton, Tom Taylor, India Austin** and **Brianna Mclver**.

Ms Stacey Moros and Mr Richard Rowe

from the head of MIDDLE SCHOOL

PURSUING EXCELLENCE

Each semester we acknowledge the pursuit of personal excellence in the academic pursuits of our young people. We celebrated this week in the Middle School Assembly the academic endeavour and learning in presenting Academic

Endeavour, Top of Subject and Academic Excellence Awards. We congratulate the students listed below who received these awards for Semester 1 in 2018:

ACADEMIC ENDEAVOUR

Year 7: **Jack Brown**

Year 8: **Poppy Anthony, Felix Bekkers, Gemma Kennedy, Grace Kennedy**

Year 9: **Natalie Elton & Sebastien Zitis**

from the head of **MIDDLE SCHOOL**

TATACHILLA COMPETITION DANCE TEAM - DANCE STAR NATIONAL FINALIST

We are so proud of our Tatchilla Competition Dance Team for being National Finalists in the Dance Star Championships held the Gold Coast. The girls were shining stars and represented the College with pride and the biggest smiles. In Middle School Assembly this week **Libby Evans, Saffron Noah, Poppy Anthony, Chloe Pearl** and **Amelia Woods** shared some of the moments and what they have learnt as a team and advice to other students in following your dreams.

Thank you to the parents of the team for coming to Queensland with us and to the generous sponsors who helped us to get there. A big thank you to Mrs Rachel Overstreet for her vision, leadership and time given to the team and for creating these rich opportunities for young people to explore the gifts God has blessed them with.

Tatchilla Competition Dance Team

OPEN GIRLS AFL TEAM - STATE CHAMPIONS

It was an absolute pleasure to hear from **Lauren Clifton, Aaleya Turner, Ella Radbone** and **Lily Lee** at Middle School Assembly this week about playing in the Open Girls AFL Grand Final. All these Year 9 sportswomen played against students three years older than them. To hear how they have all embraced the opportunity to play AFL and follow their dreams was truly inspiring. We thank Miss Tonia Fielke and Mr Scott Wendelborn for giving our young women this opportunity and for being great role models and coaches to them.

At the heart of Tatchilla it is our mission that each individual student can pursue their personal excellence utilising their talents and strengths to make meaning in their lives and serve others. It is our prayer that each student continues to find their pathway this next semester.

Every blessing,

Ms Sarah Hoff-Zweck
HEAD OF MIDDLE SCHOOL

Open Girls AFL Team

CLASS PLACEMENTS 2019

Class placements in the Junior and Middle Schools are formed together with the Year Level Coordinators and class teachers in consultation with the Learning Enhancement Staff, Enrolments Officer, Wellbeing staff, Assistant Heads and Heads of School. Current class teachers have the main input into allocations as opposed to the teachers who will have the students in 2019. The following considerations are taken into account when establishing classes for the following year:

- learning needs;
- gender balance;
- social factors in either maintaining or separating students;
- student feedback;
- parent communication based on sound educational reasoning received by Monday 17 September; and
- subject choices which can alter what class placements are possible as students move from Year 8 into 9 and then the Senior School from Year 10 onwards.

Parent communication is to be submitted via email to the Principal's office via Mrs Narelle Mistiades, Executive Assistant to the Principal
narelle.mistiades@tatchilla.sa.edu.au

Class lists will be published in the final weeks of Term 4 to allow for student transition to occur.

As you will appreciate, our staff place a considerable amount of time into this important process and will be working on this over the coming weeks in preparation for the 2019 academic year.

from the head of JUNIOR SCHOOL

MUSICAL WEEK

Congratulations to all involved in the Junior School musical, *Right as Rain*. We especially acknowledge the musical producer-director, Mrs Sue Matena, whose creativity and drive brings the musical experience to life. We also thank Mrs Suzanne Schmidt, who wrote the script, creating the unforgettable Blues and Sunnies, and

the thrilling storyline. A full report on the musical will appear in the next edition of this newsletter.

EXCELLENCE AWARDS

This week, despite being let down by a faulty iPad charger, Monday's Assembly went ahead, thanks to the leadership of Assistant Junior School Heads, Alison Thacker and Emma Williams, and Mrs Donna Culliver and the students of Year 4B. Congratulations to 4B on the creativity of their presentation, and to Friedrich Hillen for entertaining the parents and students before assembly got underway. Despite the technical challenges, Excellence Awards were presented to **Juno Worth** and **Bailey Gill**. We celebrate with these students and their families the thinking, learning and growth mind-set that they have shown over time to be nominated for the award.

Many students also received merit awards for their participation as learners and we value the way they contribute to their learning communities.

STUDENT-LED CONFERENCES

Student Led Conferences will be held on the following dates:

Rec - Year 3 Wednesday 12 September

Years 4 - 6 Wednesday 19 September

Bookings for Student-Led Conferences (SLCs) for all classes will open on Monday 3 September. SLCs are another way of reporting how your child is progressing with their learning. It gives parents an opportunity to come into the classroom and see your child's learning and progress that has been made. Your child will be responsible for leading the conference, and will also take responsibility for their learning by sharing the learning process with you. They will demonstrate their understanding through a variety of different learning situations and reflect upon samples of work they have previously chosen to share with you.

Specialist classrooms will also be open.

Performing Arts will be in the Activity Centre. Visual arts and Japanese in their shared classroom. PE will be in the College gymnasium. These areas will close at 7pm. If you have a 6pm booking for the classroom session, we advise you to make time to visit them before your session in the classroom.

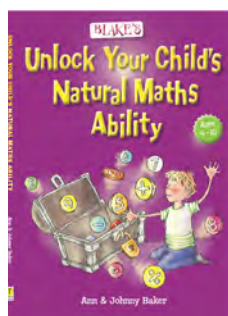

If you wish to make a time to speak to your child's class teacher about a specific issue, please contact them to make a time for another meeting.

Mr John Dow
HEAD OF JUNIOR SCHOOL

EARLY MATHS MATTERS

As a previous classroom teacher I loved teaching Maths. Why? Because when working out Maths sums or problems there is always a right or wrong answer and the process is systematic. An area of the JS Learning Enhancement support is working with those students who need further support to develop their understanding of Maths. While, I work with small groups of students from Reception to Year 2, Amanda Southern works with students in Years 3-6. Our focus is to ensure that students have secure foundational skills in Maths to allow them to progress further in their understanding. Some of these key foundational skills include: confidently counting forwards and backwards in different steps, recalling number facts (e.g. $7+3=10$ and $10-7=3$) and multiplication facts. Once students are secure with these skills we can then develop their skills and understanding in the classroom.

With the right maths tools, there are lots of ways you can support your child's Maths understanding at home with number and multiplication facts, money, telling the time and involving children in cooking and measuring. You can even make maths fun with games like Snakes and Ladders and Uno or a pack of cards.

A wonderful parent resource is the book, 'Unlock Your Child's Natural Maths Ability'. This book presents the Maths strategies as they are taught at school and provides ideas for supporting students from Reception to Year 4 or try the maths computer game www.ictgames.com which is loads of fun.

If you would like some more ideas relevant to your child's age, please feel free to contact Karen Turner (R-2) or Amanda Southern (Years 3-6).

**Play maths with dice. Throw the dice and try a quick addition of the numbers that come up. e.g. 3, 4, & 7 ($3+7=10$ or $10+4=14$)

Mrs Karen Turner
JUNIOR SCHOOL LEARNING
ENHANCEMENT COORDINATOR

NOT RETURNING IN 2019?

A reminder to families who intend to leave the College at the end of 2018 (excluding current Year 12 students), it is a requirement of the College that written notification of students leaving, must be given one term in advance.

This notification allows the College to fill any vacancies for next year and also fulfils your financial obligations. Failure to notify in the stated time-frame results in loss of fees.

For further enquiries phone Mrs Christine Martin, Enrolment Officer on 8323 9588

from the JUNIOR SCHOOL

BOOK WEEK 2018

Book Week 2018 encouraged us all to 'Find your Treasure' and it has been with great excitement that Tatachilla students have celebrated the event this year. Dressed as their most 'treasured' book characters, the children were able to share their love of reading and connections to texts by participating in Reader's Workshops, art activities and a colourful parade for the College community. It was a great opportunity to showcase the creativity, innovation and culture of reading amongst students and staff.

Ms Louise Catt
R-12 LIBRARY COORDINATOR

BOOKMARKING

Throughout this year students in Reception, Year 1 and Year 2 classes have gone on a different learning journey with their writing. Teachers have provided writing choices to student writers that has empowered and helped them to assume more responsibility for their own learning.

Children have a choice about:

- What they write about
- How they make their books
- The illustrations in their books
- What kind of book that they make

'Bookmaking' has taken a giant leap in providing ownership for writing. When students write their own books, they are writing for a real purpose. Often the books are shared with each other at the end of the lesson, with other year levels, with parents and recently have been on display for everyone to see in our Library.

Nudge or Push? With assistance, every student can do more than they can by themselves working within the limits set by the state of his or her own development. We call this nudging. During the mini lessons teachers will explain a craft of writing and students are nudged towards this in their own writing. During conferences, teachers work with

students either independently or in small groups nudging them towards a craft taught. This is where feedback is given and goals are set for the upcoming writing lessons. Daily sharing of learning ends the lesson. Student's often sit in the 'author's chair to share their books with others. This is a very exciting time as children really do see themselves as authors.

Mrs Jayne Thelning
R-3 COORDINATOR

CSA SPECNET DAY

On Friday 24 August Robyn Phillips (MS Learning Enhancement Coordinator) and myself were privileged to host the CSA SpecNet day. SpecNet is the Special Education Network where specialist teachers from Christian schools across SA come together to share in good practice.

Special thanks to our guest speakers, Melissa Symonds from AISSA who spoke about the processes of Nationally Consistent Collection of Data process and Rebecca Napier spoke about the needs of more highly able learners.

Another great feature of these network days is learning from other schools; especially in relation to different resources and programs they are implementing and recommending to further support students in the classroom.

Thank you also to Joanne Kolencik (JS Learning Support) for your support throughout the day.

Mrs Karen Turner
JUNIOR SCHOOL LEARNING ENHANCEMENT COORDINATOR

R-12 library REDEVELOPMENT

Throughout the life of the College, the Library has evolved to meet the changing needs of students and staff. Over the past 18 months Library staff have undertaken the task of reinventing this space in order to create a fresh, new learning hub within the school.

This process involved extensive consultation and active research both within the College and with external providers, gaining new ideas and perspectives on how spaces, services and resources could be used. Staff also visited a number of innovative learning institutions across Adelaide to discuss, plan and imagine the potential for Tatachilla.

Key priorities were established to connect with the College Strategic Directions and Learning Principles, to improve and transform the physical learning spaces, resource collections, curriculum and accessibility to library services. Opportunities were also created for greater involvement in extra-curricular activities.

There was a need for specific learning 'zones' to exist within the Library, so that students could have areas for quiet reading, sustained independent study, Reader's Workshop and collaborative learning, as well as engagement with gallery spaces, exhibitions and hands-on art, craft and STEM activities. After a lengthy planning phase involving everything from computer simulations and blueprint sketches to Lego models, a selection of new furniture and rearrangement of existing shelving were put into place.

The development of each learning 'zone' also necessitated the relocation of every book and resource, which provided an opportunity to rearrange the print collections in both Junior and Middle School. Students have relished the opportunity to browse for their favourite authors and series within a specific genre, rather than by alphabetical order. This in turn, has significantly improved the circulation and borrowing across the sub-schools. Similarly, the establishment of Reader's Workshop and progressively, Writer's Workshop during Library class sessions have led to a flourishing culture of reading at Tatachilla. The regular and structured time spent with teacher-librarians has allowed students to develop reading stamina, extend their connections with texts and build a love for literature.

The Tatachilla Library has become a vibrant and productive centre for students, staff and the College community. We provide opportunities for Junior School students to take part in lunchtime art, craft and STEM activities, as well as seasonal events, such as 'Winter Reads', where Middle School students are able to listen, chat and connect with staff members as they share excerpts from a range of treasured books. Likewise, the 'Authors in Residence' program, Premier's Reading Challenge and CBCA Book Week celebrations have continued to be a staple part of the Library experience at the College.

The future vision for the growth of the Library includes the added features of gallery and exhibition spaces to showcase student learning and highlight community events, as well as the ongoing development of our online services. We look forward to continuing this journey, fostering a love of literature and offering a variety of rich learning experiences.

The Library is open Monday to Friday 8.30am - 4.00pm (closed at recess).

Ms Louise Catt
R-12 Library Coordinator

"Tatachilla Lutheran College Library provides a flexible, collaborative, dynamic learning space that promotes literacy and a love of reading. So that creativity, inquiry and independence can flourish, the library offers a point of difference through its print collection, relational staff and the opportunity to engage in a variety of learning experiences."

around the **CAMPUS**

CAMBODIA MOVIE FUNDRAISER

On Monday 6 August the Cambodia team held a Movie & Silent Auction fundraiser at the Capri Theatre, Goodwood.

A crowd of almost 200 people enjoyed a fun-filled evening watching Ocean's 8 and making a bid in the Silent Auction.

The purpose of this event was to raise funds to assist the local Lutheran Church outreach centre in a small village called Krus in central Cambodia. In most recent conversation with the Cambodian nationals we have planned for the funds to go towards building two classrooms in order to support the education of preschool aged children. In previous years, the College has raised funds to purchase a motor bike for the local pastors and teachers to access other remote areas, as well as building four modest homes for people in need.

Throughout the planning phase of the night our team set a target of raising \$5000 and brainstormed the possible ways of getting local business to support our cause through donating goods and services to go towards the silent auction.

Each student contacted business they had a relationship with already, as well as connecting with new businesses. At first, approaching these businesses was a bit scary as we were stepping out of our comfort zone but we soon learned that our wider community was open and willing to support us as they also connected with the cause. This encouraged us to source even more donations and we were so overwhelmed with everyone's generosity. We sincerely thank the following business for your generous support:

Camero Ski Boats, Choice Promotions, Earth Magic, Flash Security Doors & Screens, Gemtree Wines, Goodieson Brewery, Hazzard Engineering, Hugo Wines, Intercontinental Adelaide, Ishka, J&J Wines, Kmart, Littlest Vintage, McLaren Unveiled, McLaren Vale Garden Centre, McLaren Vale Motel, Mistry Kwik foto, Natasha Koritsa, Oxenberry Farm, Oxygen Cycles, Physio Alive, Relate Therapy Service, Scarpantoni Wines, Hardy's Tintara McLaren Vale, Total Tools, Trish Yates, Vales Pizza Bar, Zimmer Engineering

We would like to thank everyone for their amazing support with the evening raising an amazing \$6270 far exceeding our original goal.

After the success of the night, we are even more excited to see how the time and effort we have invested in this fundraiser come to life when we visit Cambodia in late September. It has played a major part in our learning journey as we continue to prepare for the cultural immersion that will undoubtedly teach us more about who we are as people and the ways in which we can make an ethical and sustainable difference for others in our world, whether that be that in our family, for our neighbours or Cambodians.

Mr Chris McEligott
TOUR LEADER

from the SPORTS FIELDS

OPEN BOYS SOCCER

The Open Boys Soccer team played an outstanding semi-final against a very strong Woodcroft team which was filled with Under 18 club players.

The boys came out victorious with a 6:0 win are now through to the State finals, to be held on Tuesday 25 September.

I was very proud of the boys for showing great discipline and a positive team work ethic. They all played as one and restricted some high level strikers with excellent defending.

Leading our front line was **Andre Papp** who scored a 'hat trick'. **Danny Campbell** our right sided full back scored a 30 yard driver and **Connor O'Brien** our right winger also played his part in just about every goal. **Liam Conway** who played some brilliant midfield play scored from half way. **Kyle Holmes** was voted best on Ground following his outstanding centre back display.

Levi Deliveyne, (captain) and **Joe Vile** (vice-captain) both organised the team extremely well and helped greatly with their effort, skill and communication.

Bring on the final!

Mr Darren Vile & Mr Mark Turner
TEAM COACHES

YEAR 6/7 SAPSASA GIRLS NETBALL

Congratulations to our Year 6/7 SAPSASA Girls Netball team who today played Woodend Primary School in the semi-final. The girls played a solid game and came out winners 35-19. They are now in the top 4 schools in SA, from a pool of 81. We wish them well in their next game.

Tracy McAvaney
TEAM COACH

SAPSASA SOCCER

On Friday 24 August the Tatchilla Boys' SAPSASA Soccer Team travelled to Cabra College to compete in the Knock competition. Unfortunately the boys went down, losing to Cabra 3-1.

We are very proud of the boys and Mrs Vile (Coach) for making it to the top 8 teams in the state.

Thank you to **Jaemin McLory**, **Billy Vile** and **Mason Parry** for coaching and umpiring a number of games this season.

Miss Tonia Fielke
YEARS 5-12 SPORT COORDINATOR

YEAR 8/9 GIRLS AFL

Congratulations to our 8/9 Girls AFL team who have ended up runners up in the State Knockout Competition. The girls put up a great fight against Mercedes College, but were unfortunately beaten by a stronger team on the day. Final scores were Mercedes 6.6(42) def Tatchilla 2.5(17). We are very proud of the girls efforts.

THOUGHT ABOUT FOSTERING?

Lutheran Community Care (LCC) are seeking individuals and families with big hearts to provide safe and nurturing care to vulnerable children in the local Southern Adelaide region.

Interested people are invited to attend a Foster Care Information Session to be held on Wednesday 19 September, 6.30-8.30pm in the Activity Centre.

The Information Session will cover the different types of foster care, updated information about the process to becoming a foster carer and let you know about the support LCC Foster Care provide to all carers in the LCC fostering community. This is a free, informative evening with no obligation for you to apply.

Great foster carers come from all walks of life and LCC embrace all people. At the session, you can also meet an LCC Foster Carer who will share their fostering experience and help answer any questions you may have.

Light refreshments provided. Phone 8337 8787 or email fostercare@lccare.org.au for more information. RSVP preferred but not essential. All are welcome to attend, including children. www.fostercare.lccare.org.au

**A CONVERSATION
WITH PARENTS
ON GAMING**

The Commissioner for Children and Young People has teamed up with the High School Eleague to provide a forum for parents to come together to learn more about esports and gaming.

Discussions will include:

- How to incorporate principles of fair play in gaming
- What role should parents play when it comes to young people and games
- What parents can do to provide guidance and support to the student gamer
- How to recognise and address concerns about a young person's gaming habits

Adelaide Youth Orchestra
Keith Crellin OAM | Conductor
Christopher Buckley | Bassoon

Dvořák Carnival Overture Op.92
Christopher Buckley Winner of the Guest Concerto solo spotlight will be performing:

Carl Maria von Weber Concerto for Bassoon in F Major, Op.75
Tchaikovsky Symphony No.5 in E Minor, Op.64

Lights dazzle, colours glitter, and laughter bubbles in Dvořák's Carnival, followed by a secret concerto with one of Adelaide's best and brightest – until Tchaikovsky's drama-filled epic consumes the soul.

Bookings: www.stars.org.au
Adult \$35 / STARS members and conc \$30 / Students \$20

Presented in Association with STARS and with thanks to Tatachilla Lutheran College

get into tennis

INTERESTED IN PLAYING JUNIOR TENNIS?

McLaren Flat Tennis Club has a strong junior competition and welcomes new players. We offer excellent coaching opportunities with a professional coach, and play Saturday mornings in the Onkaparinga Tennis Association, with the season starting in mid-October.

We also offer a training squad for younger and inexperienced children who would like to learn tennis but not play on a Saturday.

All training occurs on Thursday afternoons.

Interested players (aged 5 years and above) are welcome to attend our Junior Registration on Thursday 13 September, 4.30-6pm, McLaren Flat Recreation Ground.

If you are unable to make this date, please contact Sonia Robertson on 0407 323 934 prior to registration.

Do you play tennis or want to play tennis?

Tennis is a fun sport that everyone can play and it is easy to get involved. Noarlunga Tennis Club offers junior competitions for all ages and abilities.

Match Play is a fun and social way for kids to get into team tennis and is played at Red Ball, Orange Ball and Green Ball level. Kids who become involved in Match Play will learn the basics of game play, as well as scoring, having fun and meeting new friends.

Match Play teams are made up of both boys and girls with two or more players per team. Match Play seasons are generally aligned with the school term and run for six to eight weeks.

Why kids & parents love Code Camp!

Rated 4.9 on ProductReview.com.au with over 300 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post-camp, she has continued to build on her game and now shares it with her school friends and family."

Stuart, Melbourne

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Sydney

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."

Jeffrey, Melbourne

Book with confidence

We are so sure your kids will love Code Camp, if they don't want to come back after Day 1, we'll refund the remaining days!
