## **1. TUITION FEES**

- 1.1. All parents or caregivers must complete a 'Direct Debit Payment Plan' and return to the College by 31 October, as all plans begin in the November of the year before their child's education commencement.
- 1.2. Accounts for tuition fees are rendered in advance in October and are payable via the College's Direct Debit Payment System. Tuition fees paid upfront by 31<sup>st</sup> December, the year prior, will attract a 3% discount.
- 1.3. Parents are expected to provide a minimum of one term's notice in writing should they wish to withdraw their child from the College. In the absence of a term's notice in writing, the non-negotiable fee for any student withdrawal from the College is one term's tuition fee.
- 1.4. The College Board reserves the right to terminate the schooling of a student whose fees are in arrears. However, such a termination process will generally occur after negotiations for arrangements to pay have broken down, or where there is no co-operation from parents/legal caregivers regarding the payment of the outstanding debt.
- 1.5. Parents are joint and severally liable for school fees. In the event of parental changes in marital status, both parties signing the enrolment contract are liable for any/all fees payable

## **2. INCLUDED COSTS**
