1. Tuition Fees

- 1.1 The Tatachilla Lutheran College Council determines tuition fees annually covering the common costs for the tuition of all students in a given year.
- 1.2 All parents and/or guardians need to complete a 'Direct Debit Payment Plan' and return to the College by the 31st October as all Direct Debit Plans begin in the November of the year prior to the commencement of their child's education.
- 1.3 Accounts for tuition and other fees are rendered in advance in October and are payable via the College's Direct Debit Payment System. When tuition fees are paid upfront by 30 November the year prior, this will attract a 5% discount.
- 1.4 Parents are expected to give a minimum of one term's notice in writing should they wish to withdraw their child from the College. In the absence of a term's notice in writing the penalty on any withdrawal of a student from the College is one term's tuition fee.
- 1.5 The College Council reserves the rights to terminate the schooling of a student whose fees are in arrears. However, such a termination process will normally take place only after negotiations for arrangements to pay have broken down, or where there is no co-operation from parents/legal guardians in respect to the payment of the outstanding debt.
