Term 4 | Week 6 | Friday 24 November 2017

from the **HEAD OF MIDDLE SCHOOL**

SHARE THE LOVE OF CHRIST AS YOUR CHRISTMAS GIFT TO OTHERS

Every day is a gift from God and we have the opportunity to use this gift to better the lives of others. We are blessed within our country with the supply of food, education, safe homes to live in and the opportunities to pursue our dreams. However, there are so many of our brothers and sisters in Christ who do not have these same opportunities.

Our 7-11 Casual Day in Week 5 caused us all to stop as we enter the Christmas season to look deep within ourselves in making a difference to the lives of others globally.

The money went towards supporting the "Long Drop Loo" project run by Australian Lutheran World Service, where proper toilets and sanitation improve the hygiene and health of people living in rural areas of Indonesia, and promote the safety and dignity of women and girls. We thank the many hands who baked or bought cupcakes for this worthy cause.

AUSTRALIAN LUTHERAN WORLD SERVICE (ALWS) GIFTS OF GRACE

Recently an email was sent to parents encouraging you this Christmas to give to those close to you, gifts that bless others far away. Through ALWS you can purchase a Gift of Grace this Christmas where you know it is making a difference in the lives of people within communities such as; Cambodia, Indonesia, Nepal, Kenya and Sudan.

Gifts of Grace include;

- For just \$10 you can provide a chicken and training so farmers in Cambodia learn how to raise poultry to make a profit.
- Dirty water causes diarrhoea, which kills 4,000 children under 5 years old every day. For \$40 you can provide a family share of a deep well in Cambodia to supply clean water.
- For \$30 you can provide families in Nepal with a home garden which includes 4 - 5 days training plus fruit tree seedlings.
- Help a child get started at school with a kit containing uniform, school bag, pencil, pen, mug and umbrella for \$30.

To order a Gift of Grace through ALWS this Christmas visit www.alws.org.au

At Tatachilla we seek to transform the hearts, hands and minds of our young people to think outside of their selves in service to others. It is our prayer that we can all find the moment to give generously to others this Christmas season. Blessings,

Ms Sarah Hoff-Zweck
HEAD OF MIDDLE SCHOOL

from the head of **MIDDLE SCHOOL**

YEAR 8 ART MURAL - CLAUDE MONET'S POND

This week in Middle School Assembly the Year 8 Art Collaborative; Water Lily Pond was opened. We are proud of the level of skill, detail and creativity that our budding artists have shown.

We invite students and parents when in the Year 8 courtyard to take the time to tune in to the beauty, vibrancy and stillness of nature, just like Claude Monet. Thank you again to Mrs Skye McVicar for her leadership and guidance of this beautiful outdoor art space and we look forward to seeing the pond grow next year.

YEAR 9 ADELAIDE REGION CAMP

In Week 4 our Year 9s became guests of the Adelaide Hills, Adelaide CBD and West Beach as they came to explore the culture, people, beliefs, heritage, beauty, wildlife, services and hospitality of these areas. From engaging with Indigenous elders, culture and art in Belair National Park to encountering the services of our Lutheran churches and Hutt Street Drop In Centre for the homeless, to visiting a mosque, to the greatest race around Adelaide to a community barn dance at West Beach caravan park and high rope adventures; each one of Year 9 students was moved spiritually, intellectually, socially, emotionally and physically to look deep within their heart to come to know more about the diversity of humanity.

Thank you to Mr Darren Vile and Mrs Jenni Edwards for the wonderful organisation they gave in making this camp experience happen and to the many staff who supported our students through the week.

LIVE LOVE AWARD

We congratulate **Felicity Kennedy** for receiving the Live Love Award in R-12 Assembly in Week 5. On Year 9 camp Felicity was amazing in regards to the support she showed her peers. She was so selfless and always put others before herself. For example, she stayed up late to comfort those who were missing home, she encouraged those on the high ropes course when they were feeling anxious who might otherwise not have attempted it, and she was always one of the first to offer help with camp jobs.

Around the School campus, she is very considerate and inclusive of others and is very much the peacemaker when any discontent arises around her. Furthermore, in the Service Unit for Crossroads she gave up most of her weekend to source donations from various businesses around the McLaren Vale community to support our fundraising event for the Ampilatwatja community in the Northern Territory.

Felicity is a worthy recipient of the Live Love Award.

Ms Sarah Hoff-Zweck

from the head of **JUNIOR SCHOOL**

HEALTH AND PE WEEK

During Week 5 we joined multiple schools across South Australia in celebrating Health and PE Week, focussing on living a healthy lifestyle through physical activity and nutrition. Health and PE Week is a highlight for many students and not just because they get to wear their PE uniform all week!

To commence the week the Year 4-6s all participated in a fun "Be Active" Tabloid Carnival where laughs were abounding with Hospital Dodge Ball and Volleyball two favourites.

We then had our much-anticipated annual Staff vs. Year 6 Netball Match, with nominated Year 6 students counting down the weeks and competitive staff doing daily stretches to limber up! We could say the battle was fiercely contested, but in reality, the staff showed off why we are the teachers and they are the students teaching them a lesson in how to play as a team and use our strengths...well mainly our dominating height! The students threw everything at us, including three extra players on the court, but failed to attack our weakness by doing bounce passes and making us bend! By full time the staff once again took out the honours, winning 12 to 4 and reign as the undefeated champions.

Wednesday saw us being able to have some fun dressing up as our favourite sporting hero, Mrs Gore was even seen amongst the crowd, whilst also raising funds to help bring clean water as a basic nutritional need to those less fortunate than us.

We saw many a footballer, soccer star, netballer, basketball and tennis player, but one which stood out was Santa Claus as the world's best and fastest long-distance runner...now that's creative!

Thursday, it was the R-3 students' turn at having fun celebrating being fit and active by participating in our "Have a Go" Tabloid Carnival. The old favourite Parachute was a highlight along with the Chicken Toss.

Other exciting PE Week events included the Healthy Eating Competition, this year won by Year 1a, and daily classroom fun fitness sessions. In my own words, and those heard reverberated throughout the Junior School.... PE Week is the best!

Mrs Fiona Gore
JS PE SPECIALIST

SEEK FRESH HORIZONS

SEEK YOUR FRESH HORIZON IN 2018

Enrolment opportunities are now available for your child in Reception, Year 3 and Years 7-12 in 2018. | tatachilla.sa.edu.au

from the **JUNIOR SCHOOL**

The final weeks of Term 4 promise to be exciting and busy in the Junior School, with various events and activities taking place.

TAT'S GOT TALENT

The annual Junior School Tat's Got Talent will be held on Wednesday 6 December at 11.30am in the gym.

There will be an act from each Junior School class, with each class currently selecting who will represent them. We look forward to this event and parents and friends are welcome to attend.

JUNIOR SCHOOL FUN DAY

To celebrate the end of the year the Junior School is holding a Fun Day on Thursday 7 December. From the beginning of the day to around midday students will rotate through many fun activities.

R-2 students will enjoy Side Show Alley with Bouncy Castle, Disco, Board Games/Lego, Cubby House and Creek play, and playground play.

Year 3-5 students will enjoy Bouncy Castle, playground play, Board Games/Art/Origami, Team Games and Eco Classroom activities.

More information will be distributed prior to this day. The Year 6 classes are having their own special day.

RECEPTION – YEAR 5 TRANSITION

On Thursday 30 November, students in Reception to Year 5 will spend time in their 2018 classes. This provides an opportunity to experience their new surrounds and familiarise themselves with new teachers and classmates.

Mr Damon Prenzler

ASSISTANT HEAD OF JUNIOR SCHOOL: WELLBEING

EXCELLENCE AWARDS

Well done to **Matilda Prenzler** (RB) for receiving an Excellence Award at this week's Junior School Assembly.

She has displayed positive attitudes toward all things to do with School as well as showing a friendly, kind and caring nature to both others students and teachers.

Mr John Dow

HEAD JUNIOR SCHOOL

CURRICULUM MATTERS

CELEBRATING LEARNING AT THE END OF THE YEAR

As the 2017 school year draws to a close, and student reports come home, there is much to celebrate with students. Student learning progress is formally reported against year level achievement standards (expected achievement for students in the year level they are enrolled in), as well as effort and general development progress. But what else have students achieved? As teachers, we reflect on many other aspects including:

- improved reading stamina
- new friendships
- new ways of problem solving
- improved resilience when faced with difficult tasks or situations
- increased independence
- new ways of thinking creatively and critically
- improved ability to work collaboratively
- leadership opportunities in class and across the school
- new ways of demonstrating learning
- new understandings in different areas of learning
- new experiences and learning environments

As you reflect with your children on their year's achievements, you might like to broaden the conversation to consider some of these too. Learning achievements occur in a myriad of ways and contexts.

Mrs Alison Thacker

ASSISTANT HEAD JUNIOR SCHOOL: TEACHING AND LEARNING

from the JUNIOR SCHOOL

YEAR 6 CAMP

In Week 5 the Year 6s went to El Shaddai Camp in Wellington. We faced lots of challenges such as the giant swing, vertical challenge, rock climbing walls, team initiatives and the weather! Unfortunately it rained all throughout the three days of camp, preventing us from doing water activities. The camp however was still lots of fun. Some of the highlights included the talent show, archery and the most popular, the giant swing.

The talent show was lots of fun because we were able to show our talents in front of a crowd we were comfortable with. Some of the talents included singing, dancing, acting, playing the piano, a German language class, telling jokes and a crazy caterpillar.

Archery was an enjoyable favourite because it's not something you get to do everyday. We are thankful we got the opportunity to give it a go in a safe environment.

The giant swing was the most popular activity at camp. It challenged many people but also helped them overcome their fears. It was a huge adrenaline rush when the cord was pulled and you dropped.

Bailey Baldock and Jessica Perrau
YEAR 6 STUDENTS

from the SENIOR SCHOOL

CAMBODIA 2017

Well what an experience! The MATES 2017 experience in Cambodia has come and gone and left heads spinning, hearts racing and lives expanded around Tatchilla Lutheran College!

MATES was an acronym arrived at by the students before ordering their T-shirts for this Service Learning experience. It stands for mission, awareness, transformation, encounter/enlightenment and service. It particularly grasps the notion that at the heart of the trip is the desire to build relationships with the people of Krux Village. The Aussie notion of mateship and solidarity started as an aspiration but became reality for our students.

So what did 'mission' come to mean for us?

We were on mission to become aware of the horrific toll on life and society generally under Pol Pot as we quietly walked through the Killing Fields Museum and the S21 Detention Centre. We were on a mission to encounter and be enlightened by learning from those striving to close orphanages because of abusive practises in them, and then place children back into their own families.

In Krux village we were transformed from tourists to be 'part of the family' by playing with the locals, helping children learn English, going on a picnic with the staff and providing the funds to see four modest houses built. Here it was not so much swinging hammers that served but by identifying the needs and supporting the dreams and hopes of this little community to make a loving impact on some of the weakest and frail members of the village. It was their vision we served.

We were transformed from individualist, self-sufficient, westerners to humbled, self-aware, limited beings in the presence of a little girl dying from cancer. We served and were 'on mission' as we stood there in solidarity expressing love in our own helplessness -some praying for the first time for grace to be at work in that situation. We were on a mission to listen and learn whilst sitting at the feet of Guntha, a Khmer Rouge Survivor, as she shared with us her tale of courage and second chances. She was transformed from a corpse after being left for dead in a mass grave. Transformation was epitomised in her testimony of placing her faith in a man, who two thousand years earlier, had risen from the dead and loved the lost and how that had inspired her to overcome and be transformed.

We were on mission to encounter and be enlightened as 13 and 14 year olds patiently taught us to speak some Khmer at a Transform Learning Centre sponsored by SA's own Molly Dooker Winery. We were 'on mission' when we were buying tickets to Phare Circus or buying cup-cakes and drinks in Blooms Café knowing that every cent we spent there went to support the very waitresses serving us who had been rescued out of trafficked sex-slave entrapment.

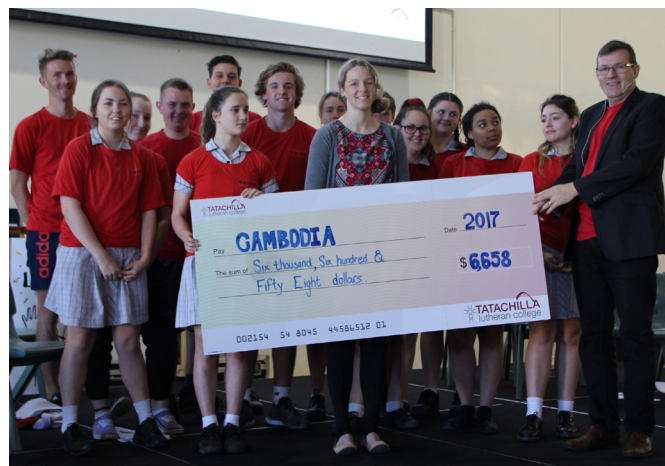

We were also on mission to encounter ancient civilisation and inspiring nature as we rode bikes through the famous Ankor Temples. We served by sharing, watching, learning, and by showing solidarity with our new found brothers and sisters.

Next year's group is already forming and will meet with Pastor Sophouen from Krux Village in December when she comes back to study here. We pray that the next visit to our mates in Cambodia will continue to build on our relationship and be of ongoing mutual support for all involved.

Grant Wildman... A very fortunate leader of a brilliant team of staff and students.

Mr Grant Wildman

YR 7-12 CHRISTIAN STUDIES COORDINATOR

At our Chapel on Wednesday 8 November the Cambodia 2017 students presented a cheque for \$6,658 to Erin Kerber from the Lutheran Church of Australia International Mission.

from the **SENIOR SCHOOL**

YEAR 11 DESIGN AND TECHNOLOGY: MATERIAL PRODUCTS: TEXTILES

The Year 11 Design and Technology students are very excited about their achievements. After investigating and planning, they have now finished the creation of their products – all to a very high standard.

Mrs Deadra Peak

TEACHER YRS 7-12 HOME ECONOMICS

Erin Collins with her dress.

Erin enjoyed learning to interpret the pattern instructions, and is particularly proud of the bodice on her dress.

Shenay Walker with her Ottoman.

Shenay is very pleased with the pop of colour and extra dimension added to her Ottoman with the blue pom-poms.

Victoria Pelham with her Beanbag.

Victoria enjoyed being able to create her beanbag using the material of her choice.

Victoria has learnt to create her own pattern, complete with all sewing guidelines including notches.

Emily Grant with her Beanbag.

Emily appreciated taking extra time to make a lining for her Beanbag. By producing the lining first, she was able to put her new learning and skills into practice in producing the outer cover of the beanbag with very little assistance.

Emily also appreciated that she was able to choose exactly what she wanted to produce for her Major Product.

from the **CAREERS OFFICE**

CONGRATULATIONS

Congratulations to **April Fishlock** (Year 12) who has won a position as a Trainee Administration Assistant with Verve Group at Glenelg. They are a professional services firm in the fields of accounting and tax, business advisory and financial planning. During her traineeship she will have on the job and off the job training completing a Certificate III in Business Administration or Accounts Administration.

KARNKANTHI INDIGENOUS EDUCATION PROGRAM

Tobias Turner (Year 11) has been awarded a scholarship with the Karnkanthi Indigenous Education Program through the University of Adelaide. The Karnkanthi Program nurtures and supports Aboriginal and Torres Strait Islander students to achieve their dreams.

Tobias won the scholarship due to his demonstration of academic excellence and a clear commitment to study Medicine at University.

The scholarship includes funding for resources, training and development and a computer tablet.

Well done, Tobias!

LAST CHANCE FOR STUDENTS TO ENROL IN A BARISTA, RSA OR FIRST AID COURSE

Here at Tatachilla we will be offering the following short courses (available to Year 11 and 12 students only):

- Barista – full day course: Monday 4 December
- RSA (Responsible Service of Alcohol) – half day course: Tuesday 5 December
- First aid – full day course: Wednesday 6 December

Please contact Mrs Tracy Templeman in the Careers Office for enrolment forms.

TORRENS UNIVERSITY

Torrens University, Adelaide, which offers courses in Design, Business Health and Sport, is offering the following opportunity for students:

- Speak to Torrens lecturers about the campus and courses in full
- A guide to how SATAC applications work
- Have the opportunity to tour the campus.

Date: 15 December 2017

Time: 9.00am – 5.00pm

Location: 88 Wakefield Street, Adelaide

LAST CHANCE TO SIT FOR THE STAT

The final sitting for this year for the Special Tertiary Admissions Test for entry into University is on Sunday 10 December. Students can apply to do the STAT when they apply online for University courses or, if they have already applied for University, they can go back onto their application and add this option. The cost of the test is \$220. Students must be 18 or over on 1 February 2018 to sit for the STAT.

Mrs Tracy Templeman

CAREER DEVELOPMENT COORDINATOR

around the **CAMPUS**

DEPOSIT RECYCLING PROGRAM

On Thursday 2 November the MS Deposit Recyclers enjoyed a fun day out as their end-of-year celebration by having a couple of games at AMF Bowling Noarlunga, followed by lunch at Becks Bakery and a walk on Port Noarlunga Beach.

This amazing group of students have dedicated themselves to Tatachilla Lutheran College's Deposit Recycling Program throughout 2017. This is a self funding program supporting the sustainable ethos at Tatachilla.

Every week these students work in teams to sort out the deposit recycling containers that are collected around the College. These containers are then collected by P and T Recycling.

Money raised through this program covers the end of year celebration excursion and any remaining funds are donated to charity.

I would like to say a very big thank you to this wonderful group of students and the four staff who help to over see the teams.

Locally this program helps to reduce the landfill waste produced by the College and assists on a global scale, through reducing our reliance on the earth's natural resources.

Ms Kristy Burns

ENVIRONMENTAL EDUCATION OFFICER

around the **CAMPUS**

RECONCILIATION ACTION PLAN

The College is developing a Reconciliation Action Plan (RAP) Narragunnawali in 2018. The Action Plan will assist in promoting a culture that honours and respects Aboriginal and Torres Strait Islander peoples within and across Australia.

The aim is to create a working document that assists in developing relationships, respect and learning opportunities in the classroom, around the school and with the community.

We are seeking interested community members (Aboriginal and Torres Strait Islander people, parent/caregivers, students, staff and others) that are happy to volunteer their time and knowledge to assist in the development of our RAP.

For further information please refer to the following website:
<https://www.narragunnawali.org.au/raps/what-is-a-rap>

Please register your interest with Dolores Amos
dolores.amos@tatachilla.sa.edu.au.

**Mrs Dolores Amos, Mrs Mandy Baxter,
Mrs Sharmayne Crowe and Mr Seelan Chetty**
INDIGENOUS EDUCATION COMMITTEE

UNIFORM SHOP

The Uniform Shop will be open between 22 – 25 January 2018, 8.30am – 3.30pm.

During the first week of Term 1 we will also extend our hours on Monday 29 and Tuesday 30 January to 8.20am – 3.30pm.

Mrs Jayne Ingamells and Mrs Trish Matthews
UNIFORM SHOP COORDINATORS

MINDFULNESS TRIAL UPDATE

Tatachilla has now participated in Flinders University's Wellbeing research for over three years, conducted by Catherine Johnson during her Psychology PhD. This series of studies investigated mindfulness as a preventative mental health strategy for a range of problems that commonly emerge in adolescence (anxiety, depression and eating disorders), and the results have been presented at Oxford University as well as published in four peer-reviewed journals.

The first trial developed a measure of mindfulness for use with adolescents. A subsequent large trial over four schools (863 students) tested a popular 8 week mindfulness program from the UK with Year 8 students, but although students reported enjoying the program there were no lasting measurable benefits.

BYOD 2018 – CONSIDER IT FOR CHRISTMAS

As you would be aware, students entering the 1:1 device environment at the College from the start of 2018 will be required to bring their own device (BYOD) to school each day. Whilst some students will already have a suitable device, others will need to start thinking about purchasing one.

For some families, it may be useful to consider incorporating a device into your child's Christmas present plans to off-set the cost and prepare for 2018. Finance is also available through our partnership with JB Hi-Fi.

Please refer to our College web page for more details:
<https://www.tatachilla.sa.edu.au/learning/bring-your-own-device-program>.

Devices ordered on or before Friday 3 November 2017 can be collected on or after Thursday 7 December 2017.

More information can be found here:
https://www.tatachilla.sa.edu.au/__files/f/26535/BYOD_Program_2018.pdf

Mrs Margaret Naylor
R-12 ELEARNING MANAGER

This year's study tested whether a more intensive program with more meditation during lessons, and more opportunity for discussion, would be more effective. This also compared Year 8 and 10 students to see whether older students might show more benefit.

Preliminary results from this small pilot sample suggest a benefit for depression that was equally strong in Year 8 and Year 10 students.

Although harder to fit into the timetable, Year 10 students showed an additional benefit in some really helpful elements of mindfulness (eg, the ability to step back from unhelpful thoughts) that we know predict better mental health over the long term.

Tatachilla looks forward to continuing cutting-edge Wellbeing research in partnership with Flinders University.

Mrs Elizabeth Bentley
ASSISTANT HEAD OF MS/SS:
WELLBEING

from the SPORTS FIELDS

OPEN GIRLS CRICKET

Once again this year, Tatachilla entered a team in the SSSSA run, Open Girls T/20 Cricket competition. Having won the State Title in 2015 and placed third in 2016, the team was very different without the Armstrong sisters, but the enthusiasm, energy and willingness to learn, was still amazing.

Captained by **Cerys Trubshaw**, the team played at Tatachilla against Woodcroft, one of last year's finalists. We lost the toss, were asked to bat first, but unfortunately were overwhelmed by Woodcroft's excellent bowling and fielding. We struggled to our total of 59 runs, with **Sarah Williams** 17 runs and **Jasmin Klaassen-Thomas** 8, being our top scorers. In all, Woodcroft took 6 catches and caused a run out, in what was a fantastic fielding display.

Tatachilla then endeavoured to bowl and field well in an effort to defend our meagre total. We fought gamely with Woodcroft only gaining victory in the final over with a score of 3/61.

Despite looking quite a lopsided contest, it was only their opening batter, Petersen, who scored the bulk of their runs. Our wickets were shared with Jasmin, **Airlie Schirmer** and **Erin Collins** each taking one. **Alicia Watt** and **Dakota Oniszk** also bowled really well without a great deal of luck. Once again our wicket keeper, **Teah Charlton**, took two great catches and did an excellent job.

Unfortunately, the loss saw us out of the competition. However, all the players should be very proud of their efforts as Woodcroft was a very good team and went on to play off in the State Final.

If the enthusiasm and attendances at our preparatory training sessions is any indicator, Tatachilla will again have a very competitive team in 2018.

Mr Graham Fielke
TEAM COACH

SA 5000M STATE CHAMPIONSHIPS

A worthy congratulations to **Angus Hincksman** who has claimed gold at the SA 5000m State Championships in the IPC U20 Category.

Angus also smashed the Open T38 Para Australian 5000m Male Record with his time of 18:26.21.

Congratulations Angus!

Simpson Crossing Fun-(d)-raiser

Proudly Supporting

Prostate Cancer Foundation of Australia

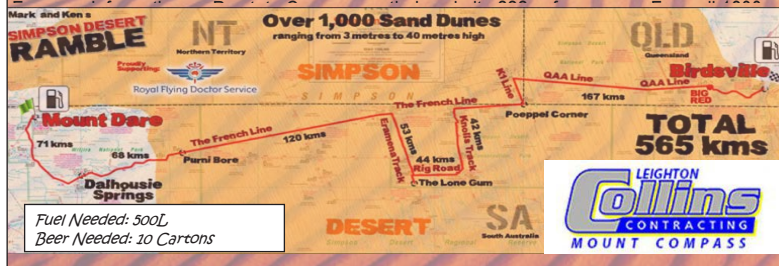

This is a registered fundraiser to support research for the Prostate Cancer Foundation Australia.

Our aim is to get a 2WD Ford Falcon more than 500km over 1200 sand dunes on the French Line across the Simpson Desert. We are not promising to drive the car over every sand dune but to drive, push, tow, drag, snatch or winch by any means possible to cross 1200 dunes.

Event will be July 2018 from Adelaide to Birdsville, Qld then via the French Line crossing 1200 sand dunes, including Big Red, to Dalhousie Springs SA then back to Adelaide SA – hopefully. The French Line is a 4wd track across the Desert and will prove very difficult for a sedan car.

Donation or Sponsors over \$500.00 get their business logo or name on the car and website (this fundraising page). Logo size on car is negotiable according to donation size.

All donations will receive a tax-deductible receipt from Prostate Cancer Foundation Australia upon deposit of the donation.

Simpson Crossing Golf Day

Proudly Supporting

Prostate Cancer Foundation of Australia

Leighton Collins and supporters are hosting a golf day event

In addition to our 2-wheel drive Ford Falcon Simpson Desert Crossing, we are hosting a Golf day to raise money and awareness for The Prostate Cancer Foundation of Australia.

- 1 18 holes, 3 man Ambrose
- 1 Prizes will be up for grabs throughout the day
- 1 Egg and bacon rolls from 9am
- 1 Novelty holes
- 1 Alcohol for sale
- 1 Shot gun T-off 10am followed by raffles and BBQ and results concluding the days golf

Please join us at the Greenman Inn, Ashbourne afterwards for drinks and meals at the end of the day

Any one that is keen to come join us and have a good day out with mates at a licensed event definitely come for a decent day out and support our efforts to raise awareness for this great foundation

- 1 Ashbourne Golf Course (Signal Flat Road, Ashbourne)
- 1 \$40 per person
- 1 Sunday 10th December 2017, 9am
- 1 RSVP to Leighton Collins by Saturday 2nd December (0438569047 or leighton.collins@activ8.net.au)

Anybody wishing to be a sponsor or involved in the Simpson Crossing in July 2018, contact Leighton Collins

GIVE THE GIFT OF READING

Visit any Marion Library Service branch from 1 November to 8 December and donate new books for The Smith Family, a children's charity providing resources to disadvantaged Australian children to support literacy and learning.

To participate, simply purchase a children's book, visit any Marion Library (Marion, Park Holme and Hallett Cove) and leave your unwrapped gift under our Christmas tree!
