Start of 2019 Special Edition: | Wednesday 23 January 2019

from the
PRINCIPAL

Welcome to the 2019 school year. It is a pleasure to welcome new students and staff to our community and to also welcome back all returning members of the College. We start the year in the sure hope of the blessings of God, that He will provide and comfort us throughout the coming year.

This early edition of the College Newsletter has been produced to provide information relating to the commencement of the new school year, which you are encouraged to read and digest!

The College Administration Office is now open and staff are on site. Should you have any further questions to the information provided within these pages, please do not hesitate to contact the College on 08 8323 9588.

Our 2019 College wide theme is 'Tilling the heart. Finding the treasure'. This will focus our hearts and minds throughout 2019 across all domains of our growth and interactions: spiritual, academic, physical, emotional and social. We prepare to return to the new school year with our eyes firmly fixed on the horizon for the opportunities that await us.

Provided within these pages, is some specific information related to each sub-school as well as some general information common to the whole College. I encourage you to read this and share with your children as they prepare for school.

As we return to school, I also take the opportunity to remind each member of our community of safe driving practices on and around our College site.

With over 1100 students moving around the site on a daily basis, driving safely is vitally important. I ask you to follow the local road rules as well as the directions from staff to ensure safe passage for both pedestrians and vehicles.

Parking around the College should be utilised should you wish to walk your child to the classroom, or collect them from the classroom.

If you are just dropping off/picking up, please use one of the designated zones, noting that these are not permanent parking spots and drivers should not be leaving their cars unattended. Please move through these areas at the direction of staff.

If you are a new family to our community and a relative or friend will be transporting your child/ren, please give them appropriate directions also for when they first visit the College.

In the coming days, students who attended the College in 2018, will receive their copy of the College magazine from 2018, Carvings.

This publication is distributed at the beginning of the year so that we can capture in entirety the events of the College year, including Year 12 results and final events. This is an outstanding publication and captures the heart of our College community from the previous twelve months.

Our College Opening Worship on Wednesday 6 February will be a special time as we recognise our College Dux from 2018, **Tobias Turner**, as well as Year 12 students from last year who achieved Merits and/or an ATAR over 90. We will also install and welcome our new staff who have joined our College this year. You are all welcome and invited to attend this special service commencing at 9am in the Multi-purpose Facility.

If you have any queries regarding any of these matters or other start of year procedures, please do not hesitate to contact your relevant SSO Office who will direct you to the most suitable staff member.

I pray that you and your family have a blessed and positive experience with our College in 2019. I look forward to seeing you at one of our upcoming events.

Yours in Christ,

Mr Cain McDonald

from the **HEAD OF JUNIOR SCHOOL**

Welcome to the 2019 school year. We look forward to welcoming all students on Wednesday 30 January, including our Reception students. This year we have around 115 new students starting in classrooms right across the Junior School, including our additional Year 5

and 6 students who make up the three classes at those year levels.

A lot of maintenance work is done over the break, including carpet cleaning and repainting. The bag racks outside the upper primary classrooms have been replaced with bag hooks which is a significant aesthetic improvement. Final touches have been given to the Reception Centre building and surrounding landscaping. The major project completed over the break has been the new pathway along the western side of the oval, which looks fantastic and has improved the overall appearance of that area. Many thanks to Brett Sharrad and his team who have worked out in the heat to have this complete for the start of the school year.

Junior School staff have been in over the break preparing their learning spaces, attending meetings and professional development. Nearly all teaching staff have moved to a new classroom, which has provided an opportunity to cull resources and de-clutter. Over the next few weeks, most classrooms will get some new furniture. The existing desks and chairs will be supplemented with larger tables to allow students to collaborate more readily, and to provide students with a bit more choice about where they sit. We also hope to provide additional outdoor bench and table settings to take advantage of the outdoor undercover areas as learning spaces.

The Junior School will also welcome seven new and returning staff members. They too, have been on site for induction and familiarisation sessions. We are confident that they are bringing skills, knowledge and understanding that will complement the Junior School community, and the teaching and learning that takes place here every day.

The first few days of school can be an anxious time for some students. KidsMatter have a lot of good advice for parents about transitioning back to school. <https://www.kidsmatter.edu.au/families/starting-school> The parents.com site is another useful resource, and while aimed at young children, the strategies they suggest can be adapted for older children. <https://www.parents.com/toddlers-preschoolers/starting-preschool/separation-anxiety/overcoming-separation-anxiety/>

ARRANGEMENTS FOR STUDENT STATIONERY

As per the new system introduced last year, all stationery has been ordered by the College and has been delivered direct to the College. Teachers will issue it to the students as it is needed throughout the year. PVC book covers will be used to cover exercise books, and teachers have prepared title pages to identify what each book is used for. Exercise books will not be sent home for covering, although you may be asked to name the pens and pencils required for Term 1. You may also be asked to provide a pencil case.

BACK TO SCHOOL ROUTINES

If your children are a bit out of their school bedtime routine, now is a good time to start re-establishing it. Being well rested is one of the critical foundation stones for a child's ability to learn, and engage in the busyness of school life.

PARENT INFORMATION NIGHTS

The Junior School Parent Information Night (PIN) will be held for all year levels on Tuesday 12 February. More detail about the programme will be issued shortly. A 30 minute information session will also be held in the Activity Room where John Dow (Head of JS), Lindee Hopkins (Assistant Head- Student Wellbeing), Ali Thacker (Assistant Head – Teaching and Learning), and Karen Turner (Learning Enhancement R-6 Coordinator) will present 2019 key initiatives for Reception to Year 6.

A sausage sizzle will be provided, and there will be plenty of time to meet your child's teacher and other parents in the year level. We hope all Junior School families will be able to attend.

LABEL EVERYTHING

If you have ever visited the Junior School office, you may have seen a large wicker hamper there. It is usually full to the brim of school jumpers, hats and other uniform items. The common bond that these items share is that they are not named. Please ensure you label all your children's uniform items, their lunch box, water bottle, and anything else they bring to school.

HATS AND WATER

With a warm start to the term likely, hats are essential at recess and lunch time. Our policy is, 'No hat, play in the shade', and if it is very hot, we all stay inside or out of the sun during breaks.

Water bottles may be brought into the classroom, but they should not be frozen, as condensation builds up on the outside of the bottle, resulting in a puddle on the table.

In hot weather, a freezer block in the lunch box will help to keep it cool.

We also recommend the use of insulated lunch boxes and freezer blocks. These are proven to keep student lunches cool even on very hot days.

JUNIOR SCHOOL CLASS BLOGS

The Junior School has a centralised blog site where year level is represented. Families with children in more than one year level have only one blog platform to learn and visit. This is a main form of communication between school and home. A link and password will be shared with all families soon.

Best wishes to all Junior School families as you prepare for the start of the year. We are excited and optimistic about the year ahead.

Mr John Dow
HEAD OF JUNIOR SCHOOL

MS PARENT INFORMATION NIGHT

On Thursday 7 February all parents are invited to attend the Middle School Information Night to meet your child's Home Class teacher and Year Level Coordinator. It is a wonderful opportunity to find out more about what we do in the Middle School and what is happening in your child's year for 2019.

There will be an opportunity to meet other parents and teachers over drinks and nibbles at 6pm. Please RSVP by Friday 31 January on the College home page of our website.

BYOD PROGRAM - YEARS 7 AND 9 FAMILIES

Email communication has recently gone to parents and students to assist the set up of BYOD devices in Year 7 and 9. If you have not received this email or require assistance in setting up your child's device if purchased through another provider, please contact the ICT Services urgently at the College by emailing ictservices@tatachilla.sa.edu.au.

As you enjoy the last few days of holidays, now is a good time to do a stock take of all the equipment and uniform items that you will need for the new school year. Please refer to the Back to School Checklist in the newsletter to assist in these preparations.

Whether you are just beginning your Middle School journey as a parent or student in Year 7, 8 or 9 or have been in the community for some time, we do hope and pray that this year will be a meaningful and memorable year. May our College wide theme for 2019, Tilling the heart. Finding the treasure guide you this year.

We encourage you to place this somewhere prominent in your house as many key details for our year can be found in the calendar. As always there are many events on throughout the year. The calendar, along with our website, newsletter, Facebook page, Twitter page and Skoolbag App are all ways that you can stay in touch on a daily basis.

Please note that any hair below collar length must be tied back, male or female. Throughout 2019 staff will be ensuring that students are adhering to the Uniform Guidelines and we ask for your continued support in these endeavours.

Hats are to be worn by all students during Terms 1, 3 and 4. Likewise, sunglasses are able to be worn during break times, but are to be removed when inside.

NAME ITEMS

Students bring a range of items to school each day which can be misplaced. In order to give the best chance of a drink bottle, a hat or a jumper finding its way back home, please make sure you clearly label all your child's belongings. You may need to reapply this throughout the year.
