INTRODUCTION

Tatachilla Lutheran College is a coeducational R-12 campus located in McLaren Vale, South Australia. The College is operated by an association of Lutheran congregations and administered by the Tatachilla Lutheran College Council.

As a school of the Lutheran Church of Australia, its central

message is to make Jesus Christ known to students and families within its community. It therefore strives to balance spiritual centeredness with a high quality, innovative educational program. The College provides a comprehensive and challenging academic curriculum, with a particular focus on Performing Arts, Sport and Environmental Education. Pastoral care and wellbeing, built on Christian foundations, are integral to College life.

We have outstandingly dedicated and professional staff who work collaboratively to maximise the potential of every student. Collaborative learning of staff is critical to the ongoing advancement of the College. Overseen by a professional, volunteer based governing body, the College is expertly placed to continue the high level of care and education it has become renowned for.

The Mission and the Vision of the College are central to the daily and future actions lived out in the community. These are reinforced by the current Strategic Directions in Teaching and Learning, Wellbeing and Service Learning. The annual directions allow for regular review and connection to the central elements of the College.

The Annual Report presents information required by the Commonwealth Government.
