# ENRICHMENT ACTIVITIES 2019

# Monday Enrichment Activities

<b>ENRICHMENT ACTIVITY</b>	<b>TIME</b>	<b>STAFF NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>
Chess Club	Monday Lunch	Caroline Pritchard	MS Hub	Have you ever wanted to learn how to play chess? Are you an expert? Do you wish you had more time to play? If you answered 'yes' to any of these questions, then this club is for you. Come along to the MS Hub at 1.20pm every Monday.
Science Tutoring	Monday Lunch	Sam Shores, Andrew Weiss	Room 622	Science tutoring is open to all students in Yr 7-9. It is a good opportunity to get some help, guidance or extension from a Science teacher to enable you to have a better understanding of the scientific concepts you are learning in your Science class. Assistance is also available for students needing help with assignment work, practical work or revising for an upcoming test.
Japanese Tutoring	Monday Lunchtime	Peter Ward, Jeffrey Wong, Edwinna Lee	Room 630	Japanese Tutoring is open to all students studying Japanese at the College. It is a very good opportunity to get some help, guidance or extension from a Japanese teacher on any of your learning, whether conversation practices, homework, assignments, etc. The student:teacher ratio is smaller than the usual classroom, this allows us to help you with more time and detail. Please do come along if you are interested?
Maths Tutoring for Year 9	Monday Lunchtime	Linda Long	Room 613	Year 9s are invited to come to Room 613 for extra help with their Maths.

Hygge/Knitting	Monday Lunchtime	Elizabeth Bentley/Zena Hickling	Room 500	Catering to all levels of skill. We will teach you to knit basic stitches if you don't know how to knit at all. We will start with a beanie/scarf project, knitting from a very simple pattern. Once the beanies and scarves are completed, they will be donated to the Hutt Street Centre for the Homeless. If you already know how to knit, you are welcome to bring your own needles and wool to work on your ongoing project. Knitting will take place in an atmosphere of 'hygge'- the Danish concept of getting cosy and sharing good times with friends.
Colouring/Drawing	Monday Lunch (starts Week 4)	Jordan Noble	Room 718?	Colour or draw in a quiet classroom. Some colouring sheets provided and blank paper provided – ideally, bring your own sketch or colouring books. Bring coloured pencils or textas – see you there!
Chapel Bands 1, 2 & 3	Monday, Wed & Fri Lunch	Chris Majoros	Room 316	Chapel Bands are open to all students on any instrument. You do not need to be having instrumental lessons, just willing to hang out and create music at lunch time once a week. This group has a number of performance opportunities throughout the term including regular chapel performances.
Jazz Combo	Monday 3.30-4.30pm	Chris Majoros	Room 316	This music ensemble explores the various sub-genres of Jazz. It is open to all Brass and Woodwind students as well as piano, percussion, bass and Guitar students.
Yr 7 & 8 Dance	Monday 3.30-4.30pm (Term 3)	Alicia Fitton	Dance Room – Maximum 17 students	Interested in learning dance? Year 7 & 8 students have the opportunity to learn some Jazz and Contemporary dance. Those participating in after school dance will need to commit to being a part of the Dance Showcase Night (20 September). Joining this group means dancers are asked to pay a participation fee of \$80. This payment covers the cost of costuming and other performance related expenses. There will be limited spaces in the class.

# Tuesday Enrichment Activities

<b>ENRICHMENT ACTIVITY</b>	<b>TIME</b>	<b>STAFF NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>
Ranger Program Student Environment Council	Tuesday Lunchtime	LAWL/AMOD	Library	Do you want to know more about the EcoClassroom? Are you interested in learning about the natural world we live in? Are you interested in the environment and want to take action around the school and community? This is the group for you. Meet in the Library Tuesday Lunchtimes
Percussion Ensemble	Tuesday Lunchtime	Chris Majoros	Room 316	Do you like making noise? Do you click your pen in class or bang pots and pans at home? If so, this is the group for you? No musical experience is required for this ensemble where we rehearse and perform popular music on percussion instruments. This is a great opportunity for students that may be interested in learning the drums in the future or who are currently learning and wish to improve their ensemble skills.
Winter Reads	Tuesday Lunch Times Term 3	Kate Sautner	Library Area A	In promoting our community of readers, students are invited to attend a workshop hosted by one of staff of the College. This staff member will discuss their reading journey with the students and share part of a novel that he/she loved when they were a middle school student. What better way to spend a wintery lunch time than curled up in a bean bag, with a hot chocolate and talk about books?

AV Tech Team	Tuesday Lunchtime	Chloe Bailey	Drama Studio	The AV Crew is responsible for making all of the audio and visual aspects of Chapels and Assemblies happen. We also get to help out at school events such as Sports Day and our school showcases. If you enjoy technology, sound, lighting and everything in between, the AV crew could be the place for you. We meet on Tuesdays at lunch time in the Drama Studio to plan school events and learn practical skills. We also just like to hang out and chat with like-minded people. Anyone is welcome to try! No experience required.
Senior Choir	Tuesday 3.30-4.30pm (Terms 3, 4)	Chris Majoros (Kym Koop)	Room 314	Please see Chris Majoros if you are interested in joining Senior Choir.
Advanced Choir	Tuesday 4.30-5.30pm All year	Chris Majoros (Kym Koop)	Room 314	Please see Chris Majoros if you are interested in joining Senior Choir.

# Wednesday

# Enrichment Activities

<b>ENRICHMENT ACTIVITY</b>	<b>TIME</b>	<b>STAFF NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>
Khan Academy & Prodigy	Wednesday Lunch	Caroline Pritchard	Library	Khan Academy and Prodigy are online Maths programs designed to not only help those who struggle in Maths, but also to extend those who want more challenging Maths work. They are interactive and interesting and will help you practice your Maths skills and develop new ones. Come to the Library from 1.15pm every Wednesday lunchtime to learn Maths online.
Chapel Bands 1, 2, & 3	Monday, Wednesday & Friday Lunch	Steph Neale	Room 316	Chapel Bands are open to all students on any instrument. You do not need to be having instrumental lessons, just willing to hang out and create music at lunch time once a week. This group has a number of performance opportunities throughout the term including regular Chapel performances.
English / Humanities / Christian Studies Tutoring	Wednesday Lunchtime	David Robusti	Room 711	Come and get some extra help with your written homework and assignments! Or come and spend some more time on Typing Tournament.
Poetry	Wednesday Lunchtime	Mark Ritchie	MS Hub	This 9 week course will teach you how to write poetry. We will look at some examples of poetry and the techniques that are used, and then each week you will get a chance to develop your own skills. Students can then submit their work to several poetry competitions that are on offer throughout Terms 3 and 4.

# Thursday Enrichment Activities

<b>ENRICHMENT ACTIVITY</b>	<b>TIME</b>	<b>STAFF NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>
String Orchestra	Thursday Lunch all year	Chris Majoros	Room 314	Do you play violin, viola, cello or the BIG string bass? This ensemble builds your music notation and performance skills, in a fun and social setting. It's on every Thursday lunchtime in Room 314.
Science Club	Thursday lunchtime Term 3	Michelle White / Andrew Weiss	Room 605	Do you have some Science experiments you would like to do? Are you interested in a particular Scientific area and want to expand your knowledge and understanding of it. Come and join us to enable these interests and experiments help you to possibly receive recognition in the Oliphant Awards, the CREST Awards or the Science Investigation Competition.
Tat Surf Club	Thursday Lunch	Tyson Leech / Edwinna Lee	Room 501	Meet Thursday lunchtimes to keep up to date with the upcoming school competitions, watch WSL events, learn more about judging and competitions, share surfing stories, read weather forecasts, keep up to date with new technologies and be around like-minded lovers of the ocean waves.
Write the World	Thursday Lunch time	Minka Lock	Room 716	Do you love to write? Do you want to connect with others who feel the same? In this activity we spend time on the

				online platform “Write the World”, publish our work and learn how to provide constructive feedback to other writers. Come along!
Maths Tutoring	Thursday 3.30-4.30pm	Mark Turner, Belinda Birchby and other Maths staff	Library	All students from 7-12 are invited to come to the library after school on Thursday to get help with their Maths.
Japanese Tutoring	Thursday 3.30-4.30pm	Peter Ward, Jeffrey Wong, Edwinna Lee	Room 630	Japanese Tutoring is open to all students studying Japanese at the College. It is a very good opportunity to get some help, guidance or extension from a Japanese teacher on any of your learning, whether conversation practices, homework, assignments, etc. The student:teacher ratio is smaller than the usual classroom, this allows us to help you with more time and detail. Please do come along if you are interested!

# Friday Enrichment Activities

<b>ENRICHMENT ACTIVITY</b>	<b>TIME</b>	<b>STAFF NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>
Photography Club	Friday lunchtime	Sarah Hoff-Zweck	MS Hub	Come and enjoy taking some photographs around our beautiful school grounds. Learn small tips and tricks for taking excellent photographs
Bass Club. Group Bass Lessons	Friday lunchtime	Pastor Jon	Activity Centre	Bass Club is open to students and staff of any age who would like to learn electric or double bass but don't know where to start. Several different types of basses and bass amps will be available to try out. Small basses also available if more suitable. No musical knowledge or experience necessary, but a love for the bass sound is certainly an advantage. We meet every Thursday lunchtime in the Activity Centre with a focus on fun.
Chapel Bands 1, 2 & 3	Monday, Wednesday and Friday Lunch	Steph Neale	Room 316	Chapel Bands are open to all students on any instrument. You do not need to be having instrumental lessons, just willing to hang out and create music at lunch time one a week. This group has a number of performance opportunities throughout the term including regular Chapel performances.
Robotics/Animatronics	Friday Lunch	Jodi Gordon	STEM Room	We will look at how animatronic robots are built. We will code our own animated characters/robots, and develop a 'mini' theme park! It could be a dinosaur park or an animae theme. You will decide! Requirements – creativity, and imagination. You don't need to know anything about

				Robotics or animatronics, as we will learn what we need as we go along! We will start small but think BIG!
