

# Tatachilla Lutheran College Arts Academy

INTERVIEW AND AUDITION PROCESS  
**2021 TATACHILLA ARTS ACADEMY**  
*COMPELLING STORIES, BRILLIANTLY TOLD*

In 2021, involvement in the Arts Academy will be Extra-Curricular.

Successful applicants will be expected to undertake:

- An on-stage role or off-stage responsibility in the School Musical
- The Semester 2 'Arts Extension' Extra-Curricular option

Please note there is a levy of \$200 for the year. This covers the \$100 Musical Levy, involvement in Arts Extension, and also the cost of the Academy shirt with logo.

*Please prepare the following for your Interview:*

- A two-minute response to the statement, "I want to be part of the 2021 Tatachilla Arts Academy because..."

*At the same time, we will ask you to also present to the panel an Audition:*

- A two-minute audition of either:
  - an instrumental piece or song excerpt
  - dramatic monologue or performance excerpt
  - dance piece of your choice
  - folio of your art or media work that you can talk to

Any accompanying music must be brought to the audition as a backing track on a USB. Applicants who have more than one area of interest or pathway in Arts subjects are asked to choose just one to present at Audition.

Criteria we will be looking for in both the Interview and Audition:

- Energy and enthusiasm
- Not perfection, but a willingness to learn and to develop your skills
- A capacity to articulate what you will receive from participation in the Academy
- A capacity to articulate what you will offer others in your participation in the Academy
- A commitment to teamwork and collaboration
