## 1. TUITION FEES

- 1.1. The Tatachilla Lutheran College Board determines tuition fees annually covering the common costs for the tuition of all students in a given year.
- 1.2. All parents and/or caregivers need to complete a 'Direct Debit Payment Plan' and return to the College by 31<sup>st</sup> October as all direct debit plans begin in the November of the year prior to the commencement of their child's education.
- 1.3. Accounts for tuition fees are rendered in advance in October and are payable via the College's Direct Debit Payment System. When tuition fees are paid upfront by 30<sup>th</sup> November the year prior, this will attract a 3% discount.
- 1.4. Parents are expected to give a minimum of one term's notice in writing should they wish to withdraw their child from the College. In the absence of a term's notice in writing the penalty on any withdrawal of a student from the College is one term's tuition fee.
- 1.5. The College Board reserves the rights to terminate the schooling of a student whose fees are in arrears. However, such a termination process will normally take place only after negotiations for arrangements to pay have broken down, or where there is no co-operation from parents/legal caregivers in respect to the payment of the outstanding debt.
