TUITION FEES

The Tatachilla Lutheran College board determines tuition fees annually covering the common costs for the tuition of all students in a given year.

All parents and/or caregivers need to complete a 'direct debit payment plan' and return to the college by 31st October as all direct debit plans begin in the November of the year prior to the commencement of their child's education.

Accounts for tuition fees are rendered in advance in October and are payable via the college's direct debit payment system. When tuition fees are paid upfront by 31st December the year prior, this will attract a 3% discount.

Parents are expected to give a minimum of one term's notice in writing should they wish to withdraw their child from the college. In the absence of a term's notice in writing the penalty on any withdrawal of a student from the college is one term's tuition fee.

The college board reserves the rights to terminate the schooling of a student whose fees are in arrears. However, such a termination process will normally take place only after negotiations for arrangements to pay have broken down, or where there is no co-operation from parents/legal caregivers in respect to the payment of the outstanding debt.
